2nd Sunday in Lent

A river of God's love flowing into the dry places of our communities

- **Jesus Christ is already at work in our communities; we seek to join that work.**
- **Our communities are wherever God plants us: Monday through Saturday—as well as Sunday.**
- **We create servant relationships with our communities, to become better disciples of Jesus Christ.**

On the banks, on both sides of the river, there will grow all kinds of trees for food. Their leaves will not wither nor their fruit fail, but they will bear fresh fruit every month, because the water for them flows from the sanctuary. Their fruit will be for food, and their leaves for healing.
Ezekiel 47:12
