

Moriah Baptist Association WMU Happenings

Update from Associational Director Judy Sims

I met with the Moriah Office Manager, Denise Johnston, recently. She and I worked on an outline for a schedule for the rest of 2022. We are so thankful that things are finally opening up. Groups of women can gather to prepare ministry items and fellowship in person again! Please save this newsletter as an overview of upcoming events and important dates for churches in the Moriah Association. Emails will go out throughout the year with timely reminders.

It would be wonderful to have an email address for each WMU group—whether or not that email address belongs to the leader. Having a point of email contact will allow every church to be up to date and in the know! If you are a Ministry Assistant and have received this email, it is because we do not have an email point of contact for your church's WMU. Please reply back to this email with the name and email address for your church's WMU.

Ministry Health Kits

Gather the supplies and prepare as many kits as possible. These kits will all go to local ministries. A full list of potential ministries is available in the Association Office. Please drop off your prepared Ministry Health Kits at the Moriah Baptist Association building—914 W. Meeting St. April 25-28 from 9am to 2pm. Ministry Health Kits will be distributed from the MBA on May 2.

Therefore go and make disciples of all nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit, and teaching them to obey everything I have commanded you. And surely I am with you always, to the very end of the age.
