

Church Planting on the Navajo Nation
The Nez Family

Jan/Feb 2022

Dear Pastor, Church, and praying friends,

Greetings from the Navajo Indian Reservation. I pray that this letter finds you doing well in serving our Lord. I appreciate your patience; the work has been extremely busy with various church projects. Nonetheless, God has been blessing the work.

Great things are happening at Newcomb Baptist Church! We are halfway to completing our new building renovation. The exterior of the Church is complete, and now our focus is the interior. There is still much work to be done. We have added a family of five to the Church, and they bring a wonderful spirit and zeal. I had the privilege of preaching at a funeral service last week, and five souls were saved. Saturdays are the highlight of the week because we get to go out soul-winning, a family came to Church on Sunday after receiving a tract, and his two teenage boys received Christ as their Saviour.

Old Paths Baptist Church recently started a youth class. Brother Jon and his wife Christina are doing an excellent job teaching our teens. We desire to reach and build the next generation of servants. I have our young men lead the music and preach on Wednesday nights; this helps keep their calling fresh in their hearts. We had our first baptism of the year a few weeks ago.

We are excited for the opportunity to help one of our missionaries this summer put on a Vacation Bible School on the Menomonie Indian Reservation in Wisconsin. Please pray with us as we begin to make preparations.

Our family is all doing well; we have reported to several churches in these last few months. Please pray for our family for strength and wisdom. Thank you for your investment in the Lord's work. We thank you for your heart for missions. God Bless.

In Christ,

Ryan Nez
