mockery.

People: Today he sets us free.

Leader: Who has believed what we have heard? And to whom
has the arm of the LORD been revealed?

**People: Surely he has borne our infirmities and carried
our diseases; yet we account him stricken, struck down
by God and afflicted.**

Leader: But he was wounded for our transgressions, crushed for
our iniquities; upon him was the punishment that made us
whole,

People: and by his bruises we are healed.
