### The Miraculous Catch:

Peter and his friends were fishermen; They knew what they were doing. They had fished all night without catching a fish. So, when Jesus said to him, "Throw your net into the water on the right side of the boat, and you will find some" it took a lot of confidence from Peter. Peter chose to trust and have faith in the stranger's recommendation who turned out to be Jesus. Peter and his friends were glad they listened to the stranger once they realized the stranger was Jesus. This is the kind of trust and faith we want to have in Jesus today and always because trusting God's word leads to obedience.

Scripture Reference: John 21:1-19

### Craft Directions:

1. Color one of the boat pictures.
2. Then color and cut out the fish.
3. Paste the fish on the picture you chose to color.  
\* Paste all of them or as many as you like.
4. If you chose to color the page without the net drawn on it: Cut a sheet of white, brown, or gray construction paper into thin strips and glue the strips on your colored page in a crisscross pattern to make the net or simply draw it by hand.
