

## Christian Chapel Church Online Directory 2022

---

- We have been working to update family and individual pictures, phone numbers and addresses in our new Online Directory database but realize there may be a need for updates.
- To access the new [Christian Chapel Online Directory](#), scan the QR code above or link to the new church website at [christianchapelchurch.us](http://christianchapelchurch.us)
- The password to access the online directory is **chapel1903**
- Please take time to access and review your family and individual information. You will not be able to make updates while in this Online Directory, but if updates or corrections are needed you can fill out the form on the back of this page and give to Leisa Howell. We will update this for you immediately.
- **Or**, you can manage your individual or family information **yourself**. Go to the [Manage My Family Info](#) user portal by scanning the QR code below, or linking to the new church website at [christianchapelchurch.us](http://christianchapelchurch.us)
- Use the email address that is listed in the family section of the Online Directory to create your login access to this update portal. To get started, first click on the “**Forgot your password**” link, enter that primary family email address that is currently listed in the new directory and click “**reset your password**”. An email will be sent to that address for a password reset. This user email and password will give you access to upload new updated family and/or individual pictures, cell and home phone numbers, home address, birthdates, etc. as often as needed (*family birthdates will not be viewable in the Online Directory and only used by the church office. Please include the birth year.*)
- If there is NO primary email listed in the family section of the Online Directory or if the one listed is not correct, you will need to send Leisa the primary email address you wish to use to get started.
- ***If your family information is not currently in the online directory, please fill out the information on the back side of this form.***

([Manage My Family Info login](#))

# Family & Individual Information Form
