**6:00pm** 7 Essentials of the Christian Faith - with a special time of worship led by Josh Baldwin  
Awana

Dear Church Family,

Good morning! I trust you are well today and looking forward to our time of worship in Christ. If you are visiting, we want to welcome you and are looking forward to meeting you. Please don't hesitate to let us know how we can serve you. Thank you for being a part of our worship.

Have you ever doubted God? I can hear the silence. I think if we are all really honest, there are times we wonder if the Lord will 'come through.' What is God's will? Where is He leading, and how are we going to get there? What will it look like when we get there, wherever 'there' may be? Faith is simply a decision we make to be persuaded that God CAN. He is able. He is sufficient. When we learn to yield to the Lord, we also have the wonderful experience of experiencing Him. My prayer for each of us today is that we will be reminded of the sufficiency of Christ and learn to trust Him even more.

Tonight is going to be a great time of praise and fellowship. We have special guests coming to help lead us in a time of worship. I encourage you to come and be a part of it! I also want to encourage you to come to an informational meeting about a new school on Wednesday, May 25th. A fellowship dinner will proceed the meeting, so please sign up if you are interested. We are continuing to prayerfully consider the Lord's leading regarding a new school start. The information about it will be provided for members and interested parents that night. We will be voting on the new school direction at our annual business meeting on June 5th, so please be informed and in prayer.

Thank you for your continued prayers and service to the Lord and His Church! God is at work in many ways. I appreciate your faithfulness and am praying we all are deepened in our walk of faith in Christ. Have a wonderful day in the Lord.

In His love,

Pastor Erik
