“Exalt the Lord, who has established us.”
Colossians 2:6-7

Pray for God’s direction for our Nation not only on this day but for our generations to come. Pray that our sins will be forgiven, that our Nation will be healed and that the Gospel will go forth!

In order to see fruit in the future, we need to keep fighting now. If we win a generation we achieve a significant victory in changing the law and culture of our nation.

Together we need to consistently and fervently pray and protect precious freedoms NOW and preserve them for our precious children.

Our God is ALMIGHTY, and He is ABLE.

We have bold access to His throne and passionate confidence as we pray—because ***HE HAS ESTABLISHED US*** in this nation and is working in the heavenlies to accomplish all that He has purposed—***as we PRAY FOR AMERICA.***

Dear Church Family:

For all my words, I don’t have enough to thank you for your unexpected gift for the On Eagles’ Wings Leadership Center. You are partners

now in the building of young Native American disciples and leaders who are the face of hope for their people.

Years ago, the Trail of Tears passed through our land.

Now there will be a Trail of Hope.

Ron Hutchcraft for the RHM Team

 Informed Choices
 Women’s Center*

is so GRATEFUL, BLESSED, and IN AWE of God’s goodness through the church’s generous heart for this ministry! Your offering will make a significant impact on the lives of those who are choosing LIFE for their unborn baby. We are so thankful for God’s provision and the opportunity to be a recipient of the Thanksgiving/Peace Offering from First Baptist.

Your generosity means so much to us as we serve women navigating their unexpected pregnancy. Thank you for investing in our mothers, fathers, and babies! Your commitment to LIFE matters. Your love for the UNBORN matters.

I am truly humbled by your desire to bless those who need it the most in North Arkansas! Thank you for giving to this ministry and pouring blessings on the men and women experiencing a crisis pregnancy in the communities we are blessed to serve.

We are amazed and experiencing God’s hand, as He uses His people to be the hands and feet of Jesus through their willingness to love and fight for the unborn.

Standing for LIFE, Rhonda Graham
