**June 12, 2022 Sunday**

**DB's Dabblings: "Summer Schedule"**

I know it is hard to get into a consistent routine in the summer, and it is hard to consistently attend the things you want to participate in. I understand, I have missed the last two Wednesday night church events because I was doing a summer preaching rotation with area churches, Vicki and I will be out of town some this summer, and she has some more surgery coming up. The summer schedule is crazy, and I know you can't be at everything we are doing this summer at church, but try to make it when you can because we have some great things happening. Let me give you a sampling.

To begin with our **Sunday morning classes on "The 3 Big Questions"** are very important to the development of our intergenerational approach to youth and family ministry. All 3 classes, Auditorium, Room 109, and the Family Center are focused on these topics with the intent to approach "The 3 Big Questions" from cross-generational perspectives. We will have several class teachers with the following coordinators: John Terrill in the Auditorium, Mike Dacus in the Family Center, and Taylor Holt in Room 109. We have tried to mix up the attendance in each class so they represent different generations together and give you an opportunity to meet new people, but the important thing is for you to be in class and participate.

I hope you will take advantage of what we are trying to do on **Wednesday nights** this summer. Each week of the month we take a different approach to help our church members get to know one another and be involved in the ministries of the Graham Street Church of Christ.

**On the first Wednesday of the month we do intergenerational service**, which includes work on remodeling our building, prison ministry Bible correspondence courses (New Life Behavior material), Basic Needs Ministry, sending cards to shut-ins and others needing encouragement, making casseroles, and other service projects.

**On the second Wednesday night of the month we participate in intergenerational worship.** This week we went to Foster Home and had a meal together followed by worship with the residents of Foster Home and another visiting church. In the next months this summer we may go to other sites or worship in the Family Center with the intention to worship together with songs and devotional thoughts that will involve all ages in worship.

(continued on Page 2)

Summer Schedule Continued

**On the third Wednesday night we participate in intergenerational fellowship in the Family Center.** We will divide up and participate in games, crafts and story-telling that will help us get to know each other better.

**On the fourth Wednesday night of the month we will engage in intergenerational Bible Study.** We are trying to tie our Bible Study into what we will study in VBS in July, which has the theme, "Under Construction." The VBS theme of "Under Construction" applies to God's construction on our personal lives. The "Under Construction" Bible Study theme for June 22 will be applied to the laying the foundation of the Church, the building of God. Then in August we will apply "Under Construction" theme to building on that foundation to be a church that is the pillar and ground of the truth, a temple of the Holy Spirit to the glory of God.

**Then the fifth Wednesday night of the month, June 29, we will have another sandwich and ice cream summer fun fellowship.** Don't miss out on these great Wednesday night activities this summer. By the end of the summer you will better know your church family and the ministries of this church. **And be sure to check out the Children's Ministry and the Youth Ministry websites for summer activities.**
