Tonight:

**6:00pm** Ministry Update from Sandy Heim - Room 209

Dear Church Family,

Good morning! What a wonderful day to worship our Lord. I trust you are well and looking forward to our time of fellowship in God's Word. If you are visiting with us, thank you for being a part of this time together. Our prayer is you will be refreshed and encouraged. Please let us know if you have any questions.

Thanks so much to all our members as we held our annual business meeting this past Sunday night. The results of the various motions were posted, and if you did not see this, just let us know. I am very excited about our school ministry opportunity. God is at work in this, so let's be in prayer! There are many families who are deeply concerned about the direction of education in our society. Our desire is to present a Christ-centered environment for kids and a Christ-centered environment for families. I want to make sure that there is an understanding within our Church family. This is our ministry. The school is not an entity to itself, but rather an opportunity to minister to families within our community. If you are interested in helping, there are many ways in which we could utilize your life skills and wisdom. We will be getting you a list over the coming days of various ways to volunteer your time to come alongside the families the Lord brings to us. Thanks so much for your support and prayers. Please pray specifically for Kathy as our School Administrator.

Summer is here! There are numerous things taking place throughout the summer that you need to be aware of. VBS will be coming quickly, so please be in prayer for that time. We also have a Guatemala mission trip in July so, again, prayer is requested! Thank you for your continued generosity and faithful service. The Lord is working in many different ways. Keep on praying and let's not grow weary in doing good.

In Christ's love,

Pastor Erik
