

NE India Missions

March – April 2022 Report

Dear Pastor West, FSBC and supporting churches:

I do hope and pray that you all are doing well. By the grace of God, we also are doing quite well here. I want to express my heartfelt gratitude to all of you for helping and supporting our ministry here in Manipur as we preach the gospel and win souls to Christ.

Your financial support makes for great opportunities for the Missionary Baptist churches here. I am so thankful to Florence Street Missionary Baptist Church for sending me as their missionary to the Thangkhal region in Northeast India. And we appreciate all the supporting churches who share with us a burden for the lost souls here, and who desire to extend the kingdom of God as much as we can before Christ returns.

Within the past two months, I have conducted two seminars for the church leaders and deacons. We also had a gospel crusade at Kamhang Baptist Church, in which we saw nine souls come to Christ as Saviour. Pastor Hangmuanlian helped me by teaching Baptist distinctives and the nature of the church, including the origin, perpetuity and characteristics of the NT church. We will continue to do this in all the churches here.

Please pray for these churches in our association: Delhi MBC, Kotlian MBC, Tuibuang MBC, Lamka MBC, Khaukual MBC, Phaija MBC, Thingkangphai MBC, and Ngoiphai MBC (Which I pastor). All these churches have pastors that lead them faithfully. Your faithful support allows me to help them with building construction & repairs, and with food drives. We also have some new congregations that need a pastor, and we hope to train some young men to fill these positions.

May God Bless you richly as you support missionaries.
