

NE India Missions

January – February 2022 Report

Dear Pastor West, FSBC and supporting churches:

I do hope and pray that you all are doing well. I pray that God will continue to bless Florence Street MBC and all our supporting churches and pastors with His great, amazing grace. I want to express my heartfelt gratitude to you all for your generosity in supporting our work. Your support helps us reach out to the lost with the gospel. It helps us conduct seminars, build church buildings, and assist the sick and poor.

We have 11 families of Nepalese people in Churachandpur that are from a Hindu background that are new converts to the Christian faith. They worship in a small rented house and hope to be able to build a church house in the future. Pray for them. We also have 7 families in the village of Songja and 8 families in the village of Suangsibok and 6 families in Pangjawl village who are trying to establish new churches. They need a place to worship. Please pray for them.

We continue to do church planting and have focused on 4 more places where we hope to plant new churches in the future. We also have a ministry that mainly focuses on helping alcoholics and drug addicts. We share the gospel with them and try to help them overcome their addictions. We also conducted a seminar for SS teachers. There are so many lost souls to win and ministries to implement.

As God's word says in Hebrews 6:10, "God will not forget your work and labor of love, in that ye have ministered to the saints." May God bless you richly as you support missionaries.

- Missionary Gin & Ching Kipgen
