

NE India Missions

January - February 2021 Report

Dear Pastor West, FSBC and supporting churches:

I am so happy for your continued generous support of my missionary ministry in the Thangkhal region of Northeast India. There are still many lost souls to win and rescue from the bondage of sin. Then we must teach them the true doctrine of Christ that they may grow spiritually.

Due to the pandemic, everything is not in normal conditions and greatly limits our effectiveness in reaching the people with the gospel. Yet, God continues to give us souls. Since our last report, we have seen four teenagers accept Jesus Christ as Lord and Saviour. Amen.

Every soul won to Christ is the result of your prayers and financial support. You share in the fruit of our labor here. I earnestly request that you continue to pray and support me, my family and the ministry of Northeast India in the days and weeks to come.

Also, thank you for giving me a car. It is very useful for my ministry. I can easily reach out to villages and churches in the area. But it is a 2011 model and constantly needs to be repaired. I am planning to sell it and buy a better car soon. I also am looking at building a house to live in instead of renting. It will just be a small frame house at Ngoiphai. We also continue to build a new church building in our village. Please pray for these projects.

May God bless you all both spiritually and physically.
