

**Community Church of PK Monthly Members Meeting
June 12, 2022**

The June Business Meeting was called to order by Council Member Terry Reynolds at 1:02 pm on Sunday, June 12, 2022. Opening prayer was given by Pastor Terry Reynolds. There were 18 members present.

May Business Meeting Minutes and Financials were approved as posted.

Old Business

Kay made the motion to pull \$1500 from the investment account to pay for the new webcam and the student ministry laptop. Gayle second, all approved. Due to product prices continuing to increase, the camera and laptop will be purchased immediately and when the money comes from investment account it will be replaced. Council has gone over bylaws and will have them hopefully by next business meeting. Articles of Incorporation are going to be updated as well, Tammy is doing investigating by going to Eagle Title to understand where we stand with Patterson. If need be, she will ask Jack to go have a conversation with Mr. Patterson regarding how the land was gifted. A/C system needs updated. As previously thought, the thermostats need moved, duct work needs to be done etc. Temporarily, the council agreed to leave all units on 76 degrees and all doors open except the office and see how that works as far as the electric bill is concerned.

New Business

Nothing to report
