Dear parents and campers,

Welcome to our 14<sup>th</sup> annual summer camp / vacation bible school!

This year, our campers will be encouraged to get their creative juices going at Sparks Studios where imagination is ignited, and creativity is awakened. They will learn like King David to use their talents to bring glory to God! They will discover that their creativity is a gift from the infinitely creative Creator who designed them for His glory. God's creativity didn't stop in Genesis! The Master Artist is working to redeem, reclaim, and transform us – His creation – to the original design He planned for us.

Come kick your creativity into high gear with us! 😊

Please remember that your child is NOT allowed to bring any ELECTRONIC devices at camp. They WILL be taken away. **Should you need to reach your child during camp hours, please contact us in the office at 561-498-2855.**
