

MAY 2022 MINISTRY UPDATE

Hello Friends & Ministry Partners!

This month's on-going discipleship class, "game night," and church-wide evangelism were successful. Leaders within the church continue to form and grow, and we thank our Lord for these Christ-followers. Seeing men, women, and teens willingly volunteer their time to serve within this local church is both encouraging and exhilarating. These actions give evidence to the intangible markers of spiritual maturity.

For those of you who prayed in advance of the military leadership conference, "thank you." Several hundred men and women were in attendance and five speakers/worship leaders traveled internationally to serve this year. Shaun was able to attend the week's meetings, showing his support of the event and the important impact this time of biblical teaching is to the country's future.

Please Pray for the Following:

- Continued discipleship of current and new believers
- Ongoing property search for a new church-plant in the Western Peninsula area
- Travel mercies and COVID testing requirements for our family as we plan to travel back stateside in June for a couple of months.

Thank you for your faithfulness in prayer & financial support!
