### Blessings in Community

A friend of mine had a quote scrolling across her computer screen a few years ago that said: “How many times do we miss God’s blessings because they are not packaged as we expected?” That quote has stuck with me over the years and I have found that it helps to remember it when I’m feeling busy or overwhelmed. It seems that too often when I’m busy I forget to slow down and take time to look around me and see the blessings that God continually grants.

We are moving into the middle of another summer...and with it come the joys of sunshine, family vacations, freedom celebrations and no school! We try to find time for extra rounds of golf, family gatherings, a trip to the beach or an afternoon in the garden. We enjoy bright sunshine, cool evening breezes and a summer’s rain shower. In a time that most people associate with vacations and relaxation, we can also find ourselves the busiest; arranging childcare for kids who are out of school, endless planning for vacations, packing the car for a weekend at the beach, preparing meals for large groups of people, or for some of us hours will be spent planning and arranging for things like the Garage sale! As we move into the summer months our staff and leadership are already looking towards the fall and making plans for a new season. All of these things demand our time, energy and attention.

In the midst of all of this, we must find time to pause and recognize the blessings that are all around us. One of the greatest blessings we have is the gift of community; in Genesis 2 we see God’s intention for creation to be in community. God, looking over creation, said, “It is not good for the man to be alone.” The only thing in all of creation that was not good was Adam’s solitude. Through the creation of Eve, another human being, God created the first true community. In this we can see God’s intention for all of us...and that need for community remains today.

Community is a foundational part of God’s design for all of us. It follows, then, that it is also foundational to the church. Throughout the New Testament we hear of Jesus’ teachings to love *one another*, honor *one another*, live in harmony with *one another*, and to accept *one another*. The church is the culmination of all of God’s plans for us. Our church allows us to come together as a community, bound by a shared history and identity in Christ, to worship, share fellowship and serve our neighbors.

My prayer is that we will all find time in the busy-ness of this summer for church – for our community; to worship on Sunday mornings, for fellowship and discovering what God is calling Trinity Lutheran to for the future. Let us come together to discover and celebrate the blessings in community that God has showered upon us.

Pastor Karri

## Comfort Bears of Chisago County

In 2010 Trinity Lutheran sponsored an initiative called Kingdom Assignments, challenging the congregation to start programs that provide service to others. A number of congregation members rose to the challenge and **“Comfort Bears”** was born.

The mission of **Comfort Bears** is to provide comfort to children experiencing crisis or significant emotional events. Distributed through the Chisago County Sheriff's office at the Chisago County Government Center, approximately 4,500 stuffed animals have been put into the hands of children since 2010. Teddy bears, dogs, frogs, lions and other animals make up this menagerie.

The bears come from various sources, and the generosity of Trinity's members has helped fund the purchase of these bears through Endowment Fund donations, Thrivent Community Impact cards and donations of new stuffed animals from members directly. A recent thank you note was received from the Sheriff's Office:

Pam,

*On behalf of the Chisago County Sheriff's Office, we thank you for your donations of the Bears to give to children at the Government Center. The Bears definitely are loved by the children and it makes their day. We appreciate your support!*  
Sheriff Brandon Thyen.

We also appreciate the support of Trinity in the continuation of this program. Thank you  
Pam and Phil Deimel

## NATIONAL GATHERING

Hello, my name is Gail Seaver and I have been selected as a voting member of the ELCA church-wide synod assembly in Columbus, Ohio this coming August. I'm humbled to represent the St Paul Area Synod with this opportunity and look forward to the learning experience and spiritual up-lifting during this week-long gathering. Having attended numerous gatherings for the Minneapolis Area Synod as well as the 1987 ELCA Constitutioning Synod and my work with creating an accepting LGBTQ statement in my former congregation, it is my hope that the ELCA will strengthen its commitment to equity and justice for all peoples to make this world a better place for all of God's children. Gail Seaver, Trinity Lutheran member.

Feed My Starving Children—4th and 5th graders

Thank you! 😊

...to the adults who went on the Memorial Day BWCA trip. Thanks for all your hard work!! We slowed down, connected with God and rested. Linda is glad we started this trip for the college youth (who loved to go when they were in high school) and knew they couldn't make it work with their summer jobs!

..to our 2022 graduates for being a part of many activities, events and helping out over the years. Blessings to you and prayers for all your new adventures in life!

...to all the kids who went to Valleyfair! It was a nice day and we had fun on all the rides. Thanks to Michelle Kok for chaperoning and to Deb Mueller for driving the bus for us!

...to everyone who participated in the Workcamp 5K! What a fun morning even with the rain. It was great to host it since the last one was in 2019. Thanks to Karin Vukich for organizing it! Thanks to all the local businesses and friends of Trinity who sponsored us. Thanks to the workcampers for all the treats the runners and walkers feasted on when the race was over. It was a party!

...to all the daycampers for a crazy, fun week of learning, playing, praying, singing and dancing! The 4th & 5th graders went to Feed My Starving Children and made a difference in many lives of kids. We are grateful for all of our adult and youth leaders. We couldn't have done it without you. Thanks to Emmy for all her hard work. God is good! All the time!

..to all who helped with concessions at Harmony in the Park every Wednesday night. See you at the concert!

## Financial News

	MAY 2022		YEAR TO DATE	
INCOME	\$43,280.04	\$37,253.73	\$223,850.20	\$202,163.19
EXPENSE	\$41,645.81	\$44,624.95	\$225,425.3	\$228,631.16
INCOME LESS EXPENSE	\$1,634.24	-\$7,371.22	-\$1,575.10	-\$26,467.97

As you can see from the chart above, at the end of May, Trinity is over budget by \$26,467.97. So far, we have not had to transfer money to cover expenses, with the exception of the money to cover the audit. The money to pay for the audit came out of Operation Reserves and was approved by the council in April 2021.

In July, statements will be sent out to all members, so this is a good time to remind everyone to catch up on your pledges if you are behind.

If you have any questions regarding the Trinity finances, please feel free to reach out to Twyla or me.

Blessings,

Treasurer

## COMMUNITY FOR CREATION CARE (CCC)

### COMMUNITY FOR CREATION CARE (CCC)

#### July 2022 Trinity Newsletter

#### **\*"Trying a Plant-Based Diet"**

When Earth was created, God entrusted us as its stewards and has called us to care for it and each other in all of our actions. Being good stewards of resources means using those resources wisely, especially in terms of our food supply.

#### **DID YOU KNOW:**

Our growing population is pushing food security to the edge. In its current form, we will not be able to feed the over 9 billion people expected to inhabit the Earth by 2050, and what we're eating is pushing the planet to the breaking point on climate change and deforestation. The food system is responsible for over a quarter of all greenhouse gas emissions, of which approximately 80% are associated with livestock production.

Adopting a completely plant-based diet may not be for everyone, but plant-based diets have been shown to provide significant health benefits like reducing heart disease, obesity, diabetes, and some cancers.

#### **TODAY, I CAN:**

- Reduce my meat consumption by having one meat-free day or meal per week.
- Buy meat from local farmers whose livestock are grass fed or free-range fed.
- Learn more about sustainable agricultural practices and support farmers who use them.
- Plant a vegetable garden and start my own compost pile to help nourish it.
- Create meat-free recipes for my family to enjoy.

**Psalms 89:11** "The heavens are yours, the earth is also yours; the world and all that is in it--you have founded them."
