

June 30, 2022
ALL THE NEWS!

Wow! Our hearts and heads are full!

NEW MISSION BOARD

We started the month with a 3-day drive across the country from Indiana to New Hampshire, making stops in Ohio, northern Pennsylvania and southern New York as we headed to our mission board training. After getting our children settled in with sweet friends who would watch them while we were at our board training, we began 10 days of jam-packed, intense, but hugely encouraging training and orientation with our board in Alton Bay, NH. After meeting with the board on Saturday, June 11, we are official missionary appointees of [IBM Global](#), based out of Nashua, NH.

So, what does that mean?

Well, not only do we have the accountability and backing of our sending church, [Trinity Baptist](#), but we now also have the additional accountability, support and financial management ability of our mission board family. The biggest change will be a new location for all donations.

PLEASE NOTE: All donations and regular monthly support should now go through our mission board. We are so very thankful for the volunteers at Trinity who have managed all finances up to this point! For all future tax-deductible donations, you may give one of two ways. Just click on the option below that work would best for you:

- [MAILING A CHECK](#)
- [ELECTRONIC FUND TRANSFERS or CREDIT CARD](#) (Visa, Mastercard & Discover accepted)

NEW PRAYER CARD

We have a new prayer card with the same family picture but some new information. If you would like an updated card, please shoot us an email at: fraustos4southafrica@hotmail.com. We'd be happy to mail you a new one, especially if you'll commit to pray for us!

NEW MEETINGS

Pre-field ministry is always a flowing, flexible schedule as the Lord is the One who sets up the meetings along the way. What we thought would just be a couple of weeks in New England has turned into a month as we've been blessed to fellowship and present with 7 different churches in New Hampshire and Maine. We have just loved the friendliness and kindness of the people here and are thankful for the hospitality of each church!

NEW CENTRAL HUB

We have a new site that contains all things "Fraustos for South Africa.". Just scan the QR code to the right or click [HERE](#) to find everything all in one place from our ministry website and newsletter sign-up to our sending church, mission board and giving information.

PICTURES: (Left) Meeting up with dear ministry friends is always sweet!; (Right) We stopped to see Nubble Lighthouse in York, ME between meetings one Sunday.

PRAY FOR US!

- PRAISE! We've had a few more individual supporters join us as partners this past month!
- Please pray for continued good health and safety on our final 40 days of this northeastern trip!
- After much prayer, **we have set a goal to be in South Africa by next spring or summer (2023)** so that our children will have a few months to get acclimated before beginning the school year in January. Please pray for productive meetings and support to come in quickly in order to meet this goal! God has already done great things, and we are excited to see how He will continue to provide!

UPCOMING MEETINGS

We would love to see you! If we will be in your area, and you would like us to come present at your church or meet with you personally to share more about our ministry goals, please reach out to us at fraustos4southafrica@hotmail.com.

JULY:

- New Hampshire, Delaware, Pennsylvania, New Jersey
