- Additional supplies may be needed for individual projects throughout the year. Students will be given time to acquire these.
- Bible: students may bring in their own Bibles from home or purchase the CSB translation from christianbook.com.

.....

Notebook Standard

In utilizing the Principle Approach at EGCA, we ask that students be equipped with the foundation tool of teaching and learning – the notebook. This is defined as a **hard cover**, 3-ring binder, of a durable quality for daily use, wear, and tear. These binders are readily available at Staples, Walmart, Target, or any other supplies store in a variety of colors, sizes, and prices. It is recommended that you choose a binder with a spine window for labeling and/or binders of various colors.

Students use these notebooks to maintain a record of their education through the subject organization of regular note taking, assignments, essays, tests, and the proper securing of class handouts. Additional items needed for your child’s grade level are listed below.

Grade 2

- 3 2” binders
- Index divider pages as follows:
 - Book 1: Grammar, Spelling Homework, Spelling Tests, Reading, Handwriting
 - Book 2: Bible, History, Geography, Science
 - Book 3: Math – Lessons, Tests, Fact Sheets, Masters

PARENTS: TABS MUST BE IN PLACE IN THE DIVIDERS AND IN THE APPROPRIATE BINDER FOR USE ON THE FIRST DAY OF SCHOOL.

Please send in ONLY what is on this list. There is no desk space to store extra items.
