Notebook Standard
In utilizing the Principle Approach at EGCA, we ask that students be equipped with the foundation tool of
teaching and learning – the notebook. This is defined as a <u>hard cover</u> , 3-ring binder, of a durable quality
for the daily use, wear, and tear. These binders are readily available at Staples, Walmart, Target, or any
other supplies store in a variety of colors, sizes, and prices. It is recommended that you choose binders of

various colors.

Students use these notebooks to maintain a record of their education through the subject organization of regular note taking, assignments, essays, tests, and the proper securing of class handouts. Additional items

$5 - \underline{1 \text{ inch}}$ binders for:	English
	Math
	Science
	Bible
