- Math pad - **Grade 4** (purchase at EGCA; check office for current pricing)

Notebook Standard

In utilizing the Principle Approach at EGCA, we ask that students be equipped with the foundation tool of teaching and learning – the notebook. This is defined as a **hard cover**, 3-ring binder, of a durable quality for daily use, wear, and tear. These binders are readily available at Staples, Walmart, Target, or any other supplies store in a variety of colors, sizes, and prices. It is recommended that you choose a binder with a spine window for labeling and/or binders of various colors. **Before school begins, label each notebook with the subject and full name of student in the spine window.**

Students use these notebooks to maintain a record of their education through the subject organization of regular note taking, assignments, essays, tests, and the proper securing of class handouts. Additional items needed for your child’s grade level are listed below.

- 5 1" binders: Language Arts**
 - Math**
 - Science**
 - History and Geography**
 - Bible**
- Index divider pages (20 should be sufficient)
- 2 pkgs of wide-ruled paper

PARENTS: Teachers will set up binders with students during the first week of school. All supplies should be brought to school on the **FIRST DAY**.
