Visitation Ministry

Walk in the Light Of My Presence—rejoicing in My Name all day long, exulting in My righteousness. This world is increasingly dark, but the Light of My Presence is as bright as ever. In fact, My Glory shines more vividly against the dark backdrop of evil. When Christ like goodness collides with worldly vileness, be on the lookout for Miracles! This collision of spiritual opposites creates atmospheric conditions that are conducive to My powerful interventions. No Matter how difficult your circumstances may be, you can still rejoice in My Name. The essence of all that I am is distilled into this one word: Jesus. You can use My Name as a whispered prayer, as a praise, as a protection—and it never loses its potency. Even in the darkest situations, you can exult—rejoice jubilantly—in My righteousness! Nothing can tarnish this righteousness, which I have woven into shining garments of salvation for you to wear forever. This is how you walk in My Light: by making full use of My holy Name and by wearing the robe of righteousness joyfully.

Psalm 89:15 Philippians 2:9-11 Isaiah 61:10

I am calling you to live in joyful dependence on Me. Many people view dependence as a despicable condition, so they strive to be as self-sufficient as possible. This is not My way for you! I designed you to need Me continually—and to delight in that neediness. When you live in harmony with your Creator's intentions for you, you can maximize your potential and enjoy your life more.

The apostle Paul exhorted Christians to be joyful always and to pray continually. There is always Joy to be found in My Presence, and I have promised I will not leave you or forsake you. So you can speak to Me at all times, knowing that I hear and I care. Praying continually is a way of demonstrating your deliberate dependence on Me—the One to whom you pray. Another powerful way of relying on Me is studying My Word, asking Me to use it to transform you through and through. These delightful disciplines help you live in joyful dependence on Me. Delight yourself in Me more and more; this increases your Joy and glorifies Me.

truth in the ancient prophecy of Isaiah. Though he was speaking primarily of the time when Jesus will reign on Earth, the spiritual principle is the same. God makes a way of holiness for those who seek to walk in it. When the desire of our hearts is to please God and live in victory, we will walk in His power and overcome. No temptation is worth abandoning the path of righteous living. No temporary gratification is worth losing the joy that those who walk in close fellowship with God constantly know. He has made a way. Our task is to choose to follow it.

Those who seek to please God and walk in holiness will always find His help to overcome sin.

The Way Of Holiness

Dr. Paul Chappell

And an highway shall be there, and a way, and it shall be called The way of holiness; the unclean shall not pass over it; but it shall be for those: the wayfaring men, though fools, shall not err therein. No lion shall be there, nor any ravenous beast shall go up thereon, it shall not be found there; but the redeemed shall walk there: And the ransomed of the LORD shall return, and come to Zion with songs and everlasting joy upon their heads: they shall obtain joy and gladness, and sorrow and sighing shall flee away. **Isaiah 35:8-10**

God knows that we are living and walking in a world filled with sin, danger, and temptation. He understands the pressures we face, because Jesus overcame the direct temptation of Satan himself. "For we have not an high priest which cannot be touched with the feeling of our infirmities; but was in all points tempted like as we are, yet without sin" (Hebrews 4:15). So God always makes a way for us to walk that will lead to holiness and victory. There is never a time when that way is not there—just times when we do not see it.

The temptations that we face no longer have the power to defeat us unless we give them that power. Once we were helpless captives of sin, but salvation changes everything. We see a beautiful picture of this
