

PROGRESSIVE DINNER

Who: All students in grades 6-12

What: The Progressive Dinner is best summed up as organized house-hopping. At each house we enjoy one course of the predetermined dinner meal that the host has so kindly prepared (eg: appetizers, soup & salad, main course and dessert).

When: Saturday, November 12th; from 4:00 PM until 8:00 PM (Please plan to meet at Murrysville Alliance Church no later than 3:45 PM in order to carpool.)

Where: Start and finish is at Murrysville Alliance Church

Relational ministry is the name of the game! This time together during the Progressive Dinner serves as a created safe place to hang out with friends, adult volunteers and hosts. Our hope and prayer is that friends will be invited to participate with us, bonds will be strengthened, new friendships formed and that, ultimately, Christ will be glorified through our fun together. We hope your student will join us and even invite friends to come along!
