We must arrive at the facility 30 minutes prior to our start time. That means we will meet at Murrysville Alliance Church at 8:45 AM and carpool to our destination.

We recommend that each player wear clothing that covers most of the body, such as jeans, long sleeve shirts, sweatshirts, or hoodies. The less exposed skin, the better! Anything that you can get dirty is also recommended. There are times you could be rolling or kneeling in the mud. STEELTOWN paintball supplies your safety gear as part of your entrance fee.

A STEELTOWN Paintball waiver is required for every participant. Anyone under the age of 18 must also have their legal guardian sign a release waiver form. If you have multiple students for whom you are filling out a waiver, up to six students can be combined on one parent's or legal guardian's waiver form.

The event is rain or shine (or snow?). If while we are playing and lightning strikes, play will stop for at least 30 minutes from the last seen lightning bolt.

Allowed Equipment – You can bring your own paintball markers and goggles. However, you must have goggles that are manufactured specifically for paintball.

Non-Permissible Equipment – You may not bring your own paintballs. The facility sells reasonably priced paintballs (a case of 2000 paintballs costs \$80). This allows STEELTOWN paintball to regulate the type of ammo used in order to prevent injuries.

Please make sure to bring your own water bottle.
