

JUNE 2022 MINISTRY UPDATE

Hello Friends & Ministry Partners!

Our family safely arrived in the US in mid-June after forty hours of travel. Thank you to those who prayed for our journey! In our absence, church leaders have hosted their first game night in addition to maintaining the regular schedule of classes and services. We were excited to hear of their good success at this first, independently run, outreach!

On a personal note, our family has several, personal prayer requests. First, our dear ministry assistant, Kadiatu, lost her husband suddenly on June 28. His funeral will be later in July. Secondly, our son, Wes, continues to recover from a compound break of his ulna and radius which required surgery to repair. Even so, he is doing a fine job of maneuvering with only one arm and happily received a “short cast” after two weeks heavily bandaged. Lastly, Kameron was diagnosed last week with a congenital heart complication after concerns during a routine physical. During her hospitalization, we discovered the depth and severity of this issue and have future plans for a pacemaker. As of now, she remains relatively symptom-free, allowing her to continue her normal activities.

While none of these things are what we expected or wanted, our Lord has blessed: Mr. Taylor (Kadiatu’s late husband) was a strong believer who is now at rest with Jesus, and our children have received excellent healthcare. God is good... All the time.

In the upcoming month, our family will be traveling to both current and potential partnering churches. We look forward to sharing Sierra Leone and God’s work there!

Prayer Requests:

- Continued discipleship of current and new believers
- Ongoing property search for a new church-plant in the Western Peninsula area
- God’s comfort for the wife and family of Mr. Taylor
- Our family’s health

Thank you for your faithfulness in prayer & financial support!
