Kid's Resource Center Special Note:

Our Kid's Resource Center "Pack-A-Bag" will be ready for the kids to use for worship service starting next week!

We hope that the new supplies will help enhance your children and grandchildren's worship time. There will be coloring books, activity books, board books, reading books for up to age 12, sketch pads, crayons, colored pencils, variety of levels of kid's Bibles, felt story boards, and STILL the ever-popular writing tablets.

The Resource Center will be set up in a "Pack-A-Bag" style. The black worship tote bags will be empty, and the kids will choose what they would like to "pack" into their worship bag to take with them. (**Please** for the first few weeks help them with their choices.) For example, if they would only like to use the writing tablet, then that's all they would "pack" into their worship bag. If they would like to color, draw, and read the Bible then they'll choose a coloring book, crayons, sketch pad and an appropriate age level Bible to "pack". At the end of the service, they can return their bag back onto the tree rack.

Thank you and please let me know if you have any questions.
