**6:00pm** Bible Study in Room 209

Dear Church Family,

Good morning! I trust you are well and looking forward to our time in the Word and Worship this morning. Thanks for being here. If you are visiting, we want to welcome you, and if you have questions, please don't hesitate to let us know how we can be of service.

What a week this has been as we have had VBS taking place. Many kids came and we had an awesome team helping from crafts to Bible lessons and games. Thank you to each person for your service! There were several of the kids who prayed to receive Christ! What a blessing this has been. Let's continue to pray for the children as well as their families. So many are in need of genuine community, and we know this can only take place through Christ's love and grace.

As we are now in August, the summer is rapidly coming to an end. The Lord has been leading in many ways, so please continue to pray! Please pray specifically for our new school as we work toward starting in September. We are looking to have a Kindergarten class starting in the Fall and a Preschool starting in January with teachers. Several families have signed up with hopefully more to come. A solid foundation is being put into place to make sure that we are able to grow in a healthy way. Please continue to pray as we get the word out to many families. A Christian worldview is so important for our kids. Our desire is to make sure Christ is central in everything. Let's pray God provides us the children and families we will have an opportunity to serve.

God bless you and thank you for your continued prayers and service. The Lord is at work. Let's yield to Him afresh today and follow Him! I hope you have a wonderful day in Christ.

For His Glory,

Pastor Erik
