## The Assumption of the Blessed Virgin Mary Twentieth Sunday in Ordinary Time August 14th 2022

*All generations will call me blessed, for he who is mighty had done great things for me.*

This acclamation of Our Lady's becomes also our hymn of praise. 'He who is mighty' did great things for her and by his promise does and will do great things for us too. His plan for us reaches its climax and completion in our sharing in the gift and joy of heaven. It is for this alone that he sent his Son, for this alone that Mary said 'Yes' to sharing in God's plan, for this alone that Jesus died and rose again. Nothing less would be worthy of these great works of love.

This theme runs through the texts of today's liturgy as a golden thread

"grant... that we may merit to be exalted by you on high"

"grant... that we may merit to be sharers of her glory"

"may our hearts... constantly long for you"

"The Virgin Mother of God was assumed into heaven as ... a sign of sure hope and comfort to your pilgrim people"

"grant that... we may be brought to the glory of the resurrection"

The mysteries of Mary are important because they either confirm important truths about her son, Jesus, or because they provide an exemplar for ourselves as his disciples. We hold the Assumption of Mary to be one of the most important truths of faith because it discloses God's plan for us – that that whole of us (body and soul) is chosen to live for ever in His presence in heaven. It is gifted to Mary on account of her very particular role in the mystery of salvation, but it is to be given to us too on account of the merits of her son, and also on account of her prayers for us. Not that God needs Mary's prayers to decide to do something, but that he has chosen to continue to involve her in the work of our salvation, since Jesus entrusted us to her as our Mother on the Cross.
