### LESSONS FROM FIRST SAMUEL

**1 Samuel 17:1-53** The Story of David and Goliath. The Philistines and the Israelites set up to do battle (1-3). Goliath offers a challenge and the Israelite army is terrified (4-11). David arrives at the Israelite's camp, hears Goliath's challenge and sees the terrified reaction of the Israelite army (20-24). David's faith in God motivates him to accept Goliath's challenge (32-40). David's defeat of Goliath gives great confidence to the Israelite army and they pursue and slaughter the Philistines (41-53).

### LESSONS FOR US:

- **Be a problem solver and inspire others.**
  - David saw Goliath was presenting a problem for the Israelite army, he knew that God had rescued him from a bear and a lion in the past and was confident that God would rescue him from Goliath, so he accepted Goliath's challenge and defeated him. David was a problem solver. His faith inspired others to put their faith in God.
  - **God calls us to be problem solvers.** Jesus said in Matthew 5:23-24 "Therefore, if you are offering your gift at the altar and there remember that your brother or sister has something against you, leave your gift there in front of the altar. First **go and be reconciled to them**; then come and offer your gift."
