

Community Church of PK Monthly Members Meeting August 21, 2022

The August Business Meeting was called to order by Assistant Council Moderator Terry Reynolds at 12:55 pm on Sunday, August 21, 2022. Opening prayer was given by Pastor Terry Reynolds. There were 17 members present.

July Business Meeting Minutes and Financials were approved as posted. Kay made motion and Reba seconded, all approved for minutes, and Johnny made motion and Kay seconded all approved for financials.

Old Business

Terry thanked Tammy, Roy and Gene for the time spent working on reviewing the bylaws. There was discussion over absentee voting, and then the by laws were passed by majority with the condition that all council members had spaces to sign their names to the document.

Reminder about the women's conference in Yukon Oklahoma in September. The mission distribution amounts were handed out so everyone knew what amounts were being distributed. This should have been done last month but was overlooked.

New Business

The updated Articles of Incorporation were handed out and are available for everyone to look at before the business meeting next month where we will be voting on the changes. The only changes made were updating the council members and changing where the assets would go, it was Wycliffe Bible Translators and will now be the PK Ministerial Alliance that way it stays in the local community.

We will have a spot at the chili cookoff this year, pastor is entering the competition as well as several others church members. We do want to encourage church members to hang out at our spot with pastor and let him be able to get to know more of the community. The craft fair is in November and we want to get a spot there as well to be able to let pastor meet more people.

Blanket Ministry

We are doing great, have a bunch of fabric to cut and are letting our fund build back up so its available when we need more supplies.

Building/Grounds Committee

Gio asked if we could fix the door by the prayer chapel, so it will lock. As of right now the only way the door stays secure is locking with a key from the outside. There was a safety issue during service where a new family visiting let their child go play on the play ground alone, how do we deal with situations like that? Pastor Jack said tell the parents in a nice way it isn't allowed, that an adult has to be outside.

Student Ministry

Sunday mornings are going well. Ardie asked if kids could come in for first 10 minutes of service. Jack said we can adjust the line of service to accommodate the kids being able to be in praise and worship with us. Doing the Lord's prayer with the kids was mentioned as well.

The Shoe drive went great, kids all got shoes, some 2 pairs and all got socks. An amount was given to each child that they could spend and so it was a great time doing that with them.

Music Ministry

Nothing to report

Pastor Report

The ministerial alliance is still working on what they want to do for Teacher Appreciation. There was a leadership meeting of everyone involved in church leadership and a calendar for the year has been started on activities and areas of focus. He ran into an issue with programming and having a hard time getting the camera that was purchased up and running. Dale offered to come help hook it up. A/C units were serviced, thermostats moved and returns added. Pastor has to patch the walls where the thermostats were moved from and he will make a day to do some overall minor work around the church on things like that.

Ardie made a motion to adjourn, seconded by Roy, none opposed. Closing prayer was given by Pastor Jack Thomas, meeting was adjourned at 1:43 pm.
