THANK YOU RANDY AND BETSY!

Pastor Randy and Betsy Mortenson have been serving LBIM for the past four years in a missionary care capacity, providing spiritual and emotional care to our field missionaries in Asia. Randy and Betsy are resigning from this role for various reasons, and we will miss them. But we thank God for their time served, and for their ongoing ministry that God has called them too. Following is what our missionaries have to say about Randy and Betsy's ministry:

"Thank you, Pastor Randy and Betsy, for praying for us and cheering us on. Thank you for emails of encouragement, and all the hard work and prayer put into the times you were able to travel to Japan and Taiwan to meet us. Thank you so much." ~ *Dean & Linda Bengtson*

"I appreciate how LBIM provides help to me by sending pastoral couples to encourage my soul. Recently this was done by Pastor Randy and Betsy Mortenson. Their friendship during these final years in Taiwan richly blessed my heart and ministry. Thank you." ~ *Michael Kittelson*

"Randy and Betsy have been a great encouragement to me. I am thankful for their willingness to serve in so many ways; from spending time in the Word, playing the piano so we can sing together and taking time to pray with us and for us. Thank you, Randy and Betsy. You have truly been a blessing!" ~ *Delores Kittelson*

"Randy and Betsy Mortenson have invested so much heart and time in us. They used Bible studies and music to nourish us and emails and encounters (and sometimes even Skype calls) to encourage us. They looked forward to seeing us and treated us like family when we were together. We are grateful to God for their ministry to us and will miss them. Thanks Randy and Betsy!" ~ *Ethan Christofferson*

"I first met Betsy when we were preparing to go to Taiwan, and right away she blessed me with her heart for loving others. Not long after we met up with Betsy and Randy again. It was evident that they had a gift for service and connection. We are so thankful for their years of service in pastoral care and how they have loved on our family." ~ *Sara Hosch*

Representing the entire International Mission and CLB family, I want to express a debt of gratitude to Randy and Betsy, for their faithful, tireless, and representative pastoral care to our missionaries on behalf of the sending church in North America. May the Lord of the harvest richly bless you and your continuing ministry in our Lord's service.

~ *Dan Venberg*
