 No Bible Study tonight

Dear Church Family,

How are you doing today? I am so thankful you are here and looking forward to our time of worship this morning. The Lord is great, and greatly to be praised! As we worship from our hearts, let's receive His truth from His Word into our hearts and then walk in that truth!

What a summer this has been. Our first missions trip in quite a while was tremendous. VBS was an amazing time as many kids from our community came and heard the gospel, some of them praying to receive Christ! God is at work in our community and I am thankful to have the opportunity of participating with Him. I would ask that this week you would be in prayer for our Baseball Clinic. Don Gordon and Greg Morhardt will be helping lead this time. Please be in prayer for their travel and as they share their testimonies about God's grace. What a wonderful opportunity this will be to share the gospel in our community. Thank you to all who are helping with baked goods, cooking hot dogs, set up, and more. Don will be sharing his testimony with us next week so you won't want to miss this.

As we begin the Fall and our normal schedules, please make sure you find out what's taking place over the next few weeks. Our online calendar is being fixed by Faithlife, so please refer to the bulletin and other announcements online in the meantime. If you have questions, don't hesitate to call. The Fall is always an amazing time of activity in the midst of one of the most beautiful seasons we have. Let's all be of one mind in yielding to the Lord and willing to be of use to Him in sharing the hope of His salvation.

As we continue our study in Matthew and work through the Olivet discourse, I appreciate your prayers. I believe we are in the last days of this age and at some point soon, the Lord will be coming to gather us together to be with Him. Let's make sure we are yielded to Him day by day, walking by His grace and strength. Thank you for your continued prayers and support. The Lord bless you and may He encourage you today!

In Christ's love,

Pastor Erik
