

Start Here.

Welcome to Southeast Valley! We are so glad you are with us today. Please refer to this Campus Map as you navigate the campus.

If you have any questions, stop by the **Welcome Table** (Lobby) in the Main Auditorium. Someone will be there ready to point you in the right direction.

Have Kids?

If you have kids in preschool through 6th grade, we offer kids programs in the **Education Building** during the Sunday School hour and halfway through the Worship Service. We also have a staffed Nursery for children ages 0-4.

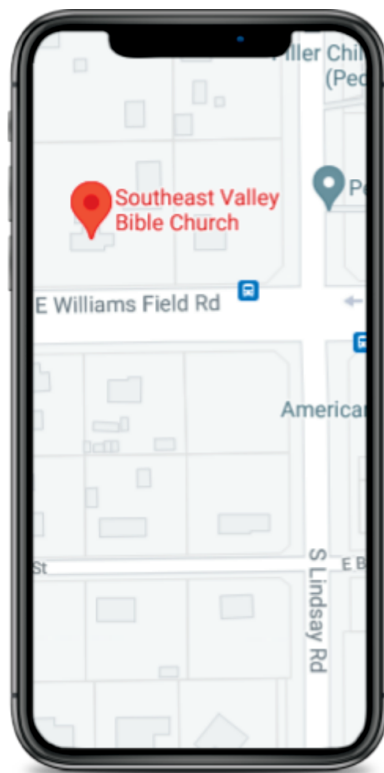

Please check your child(ren) in/out. All check in/out takes place in the Check-In Lobby between the Nursery and Classroom 1. Only the parent/guardian you designate may pick up your child(ren) after Sunday School and the Worship Service.

Kids will be dismissed halfway through the Worship Service to go with their teachers to their classes. If this is your first time sending your kids to Children's Church, please walk back with them to get them checked in.

We have qualified, trained teachers and volunteers who are cleared with a background check before interacting with your kids. The safety and training of children is of utmost importance to us.

Any Questions?

For more information about anything in this brochure, please contact the church office at **info@sevbc.org**.
