Church- Planting Missionaries in TAIWAN

Update on my Friends

As you may recall, a few letters ago we wrote about my friend, Jacky, who trusted Jesus and followed in believers baptism. Lately Jacky has been growing in his walk with the Lord. He has begun attending church services faithfully and has a true servants heart.

When I first met Jacky, over a year ago, I went to his car shop so that I could practice my chinese with him. This past week all of the interns and pastors all went to his shop and we held a small bible study. On another occasion, Jacky held a small BBQ party at his shop, he invited us and we were able to meet many of his unsaved friends. We are praying for his friends and that God will use Jacky's testimony to show his friends who Jesus is. Would you continue to be in prayer for Jacky as he grows in Christ? We are praising God for the work He has already done!

You may also remember my friend, Levi, who previously taught me chinese and had many questions about the bible. Although he no longer teaches me, he has still continued reading through the New Testament on his own. Last week, he came to church with me and even helped pass out flyers beforehand! I am still praying that God's word will work in his heart and he will accept what Christ has done for him.

Lastly, Vision continues to faithfully attend classes, spend every moment with me, and serve at Cross Baptist. He desires to be a pastor one day and plans to come with us to Taichung to help with our first church plant. It is my prayer and desire that Vision can learn more about God's Word and become more and more like Jesus every day. God has been so good to work in the lives of those around us, we pray our friends can see more of God's goodness!

Two Months!

As hard as it is to believe, we are rounding out the last couple months of our two-year language learning term. Although it feels like you've never fully "arrived"

when it comes to language, we are thankful for God showing Himself faithful and working in spite of us. We are praising the Lord for passing our language acquisition test and now begins preparation for our move and upcoming furlough! We will be taking a short furlough this November before coming back in the spring to jump into our first church plant. Please be praying that these last couple months can be fruitful in language and preparation for future ministry.

Thank you for your love and support! Praise the Lord for using your faithfulness to accomplish His work here in Taiwan!
