Dear Church Family,

Good morning! I trust you and your family are well. Thank you for coming this morning to worship with us. I am excited to be in the Word together with you and looking forward to how the Lord works in our midst. What a beautiful season the Fall is, and as we enjoy this time, let's remember to praise the Lord not simply in what we say, but most importantly from our hearts. God is good and greatly to be praised. Let's praise Him this morning as He alone is worthy of our worship.

What a week this has been. Thank you to everyone who helped get Awana back up and running. We had a great Wednesday turnout for our various Bible studies and Awana. There are quite a few events and ways to get involved. Please continue to pray for the ministries of our church as we seek to not only share the good news of Christ with others but also grow in the grace and knowledge of the Lord.

Please remember that in a couple of weeks we will be having our annual church picnic on the grounds. This is a great time of fellowship! Invite a friend or two, and let's have a grand time of celebrating how good God is and the fellowship we have together. Trunk or Treat is going to be here before we can blink, so once again, if you could donate candy for this event, we would appreciate it. Monika will be helping organize the event, and we need cars, costumes, and candy. Our Evangelism Team will be helping share the gospel with the kids and parents. If you are interested in helping, please let Monika know. Also, the choir will soon begin getting ready for our Christmas cantata, so if you are interested in participating, please talk with Sally Kolody. I hope you are involved in a Bible Fellowship group! If not, let us know, and we will help you get connected. There are many ways to be involved and build relationships with other believers, so make sure you let us know if you need help in any way.

The Lord bless you! Thank you for your continued prayers and service. God is continuing to work, and I am praying for the Lord's sustaining strength, wisdom, and leadership in our lives. Let's continue to keep the Lord as our focus, trusting Him with the results as HE alone can accomplish anything. Have a wonderful day in Christ.

In Christ's love,

Pastor Erik
