UNCOMMON UNITY
WISDOM FOR THE CHURCH IN AN AGE OF DIVISION
Richard Lints
“A crucial book.” —Timothy Keller, from the foreword

Our world is facing increasing hostilities. Political and cultural differences rage, even among people who otherwise show goodwill. And the church is no stranger to extreme polarization, theological backbiting, and political squabbling. Jesus’ prayer in John 17—that the church be one as he and the Father are one—seems increasingly unattainable. But what if Scripture actually provides the key for thinking about unity in diversity?

In Uncommon Unity: Wisdom for the Church in an Age of Division, Richard Lints explores the nature of diversity and how Christians can think more clearly about unity in an increasingly polarized age. Drawing on theological, historical, and sociological resources, Lints exposes problems with the inclusion narrative of democracy and shows a better way forward for fostering unity in the midst of extreme diversity. If we are to think rightly about diversity, wisdom is required for the church in our late modern world. Through wisdom, Christians can display real unity in diversity and bear witness of the God who made them for himself as diverse members of his one body.

“At once rigorous and fleet, profound and precise, this dynamic chronicle of how the Nicene Creed came to be will make a valuable addition to the libraries of Christian scholars.”
—Publishers Weekly

THE NICENE CREED
AN INTRODUCTION
Phillip Cary

For centuries, the Nicene Creed has been central to the church’s confession. The Nicene Creed: An Introduction by Phillip Cary explores the Creed’s riches with simplicity and clarity. Cary explains the history of the Creed and walks through its meaning line by line. Far from being abstract or irrelevant, the words of the Creed carefully express what God has done in Christ and through the Spirit. The Nicene Creed gives us the gospel. It gives biblical Christians the words for what we already believe. And when we profess the Creed, we join the global church throughout history in declaring the name and work of the one God—Father, Son, and Spirit. Gain a fresh appreciation for the ancient confession with Phillip Cary’s help.

“Here is a truly inviting introduction to the faith once delivered to the saints in baptism and continuously declared throughout the world in the church’s confession.”
—Scott R. Swain, president and James Woodrow Hassell Professor of Systematic Theology, Reformed Theological Seminary

“Lively prose, engaging style, and enduring wit.”
—Kathryn Greene-McCreight, affiliate priest, Christ Church, New Haven; spiritual director, Annand Program, Yale Divinity School

Jesus is the point of reading the Bible. Christians read Scripture to encounter Christ and be conformed to his image. Scripture is no mere human text; it is God’s living word. So how should we read it? For Christians throughout the centuries, the answer has been lectio divina—“divine reading.” In *Pierced by Love: Divine Reading with the Christian Tradition*, Hans Boersma invites Christians to retrieve this ancient and meditative way of reading the Bible. Lectio divina is a sacramental reading. It aims to take us more deeply into the life of God. Through practicing the four movements of lectio divina—attentive reading, extended meditation, prayerful reflection, and silent resting—we have a structured and simple way to focus on Christ, listen to the Spirit, and rest in God’s love. We no longer simply read the words of Scripture; instead, we read the face of God in the eternal Word.

Drawing insights from our forefathers, such as Augustine, Anselm of Canterbury, and Bernard of Clairvaux, *Pierced by Love* encourages Christians to join the church’s rich heritage of transformative reading.

You read it. But do you understand it? While the Bible is the most famous book in history, it can be intimidating. Yet God’s word is for us and all people. It is living and active and has the power to save, give life, and heal. Do we read the Bible attuned to the power of God’s word?

John W. Kleinig opens up the riches found in the Bible. He likens God’s word to a lavish meal that nourishes and satisfies our souls. He shows us the centrality of Scripture to Christian faith—the word through which the Father, Son, and Holy Spirit speak with one voice to believers on Earth.

“You will come away marveling anew, as Peter did, at the words of eternal life flowing from Jesus’ mouth for your ears to hear and your heart to believe.” —Harold L. Stenbakk, author of *The Care of Souls*

“Kleinig reminds us of what happens to our hearts when the word of Christ gets into it and changes it from the inside out. To read this book with open ears is already to experience what it is talking about.” —Phillip Cary, author of *Good News for Anxious Christians*; professor of philosophy, Eastern University
Abraham Kuyper and Herman Bavinck sparked a theological tradition in the Netherlands that came to be known as Neo-Calvinism. While studies in Neo-Calvinism have focused primarily on its political and philosophical insights, its theology has received less attention.

In *Neo-Calvinism: A Theological Introduction*, Cory C. Brock and N. Gray Sutanto present the unique dogmatic contributions of the tradition. Each chapter focuses on a distinct theological aspect, such as revelation, creation, salvation, and ecclesiology. Neo-Calvinism produced rich theological work that yields promise for contemporary dogmatics. This book invites readers into this rich theological trajectory.

“Essential reading for all students of Reformed theology.”

—James Eglinton, Meldrum Senior Lecturer in Reformed Theology, University of Edinburgh

“Gray Sutanto and Cory Brock provide readers with a state-of-the-art introduction to the theological agenda of neo-Calvinism. I highly recommend it.”

“Tolkien Dogmatics is likely to become a standard text for interested laypeople and literary critics as well as professional theologians when discussing the theology of the maker of Middle-earth.”

—Thomas Honegger, Friedrich Schiller University, Jena, Germany

J. R. R. Tolkien was many things: English Catholic, father and husband, survivor of two world wars, Oxford professor, and author. But he was also a theologian. Tolkien’s writings exhibit a coherent theology of God and his works, but Tolkien did not present his views with systematic arguments. Rather, he expressed theology through story.

In *Tolkien Dogmatics*, Austin M. Freeman inspects Tolkien’s entire corpus—*The Hobbit*, *The Lord of the Rings*, and beyond—as a window into his theology. In his stories, lectures, and letters, Tolkien creatively and carefully engaged with his Christian faith. Tolkien Dogmatics is a comprehensive manual of Tolkien’s theological thought arranged in traditional systematic theology categories, with sections on God, revelation, creation, evil, Christ and salvation, the church, and last things. Through Tolkien’s imagination, we reencounter our faith.

“This is a well-researched, one-of-a-kind work that will appeal especially to those who have gone out the front door to engage in the dangerous business of walking the Way of Christ, pursuing their own adventures as inhabitants of the twenty-first-century, demystified Middle-West.”

—Kevin J. Vanhoozer, research professor of systematic theology, Trinity Evangelical Divinity School

Austin M. Freeman is a lecturer at Houston Baptist University and a classical school teacher.

Grace is not limited to God. If one of God’s characteristics is grace, it should be one of ours also.

Grace runs throughout Christian Scripture, from Genesis to Revelation. But as we read the Bible, we might miss the depth of what grace truly is and what it means for us.

In What Grace Is, biblical scholar Craig A. Evans invites us to look at grace throughout the Bible, going deep in examples from the book of Genesis and the Gospel of Luke. Bringing together biblical insight and personal wisdom, this short book will give readers a new appreciation for grace in action—acts of kindness and mercy exemplifying the kind of grace that can only be described as divine. We live in an angry and fractured world that desperately needs more of this grace. What Grace Is encourages us to meditate on the divine grace we have received and extend that same grace to others.

“In there is no more learned resource for private devotional and group Bible study on grace in the Bible than this book by premier New Testament scholar, Craig Evans.”

—Judith M. Gundry, research scholar, Yale University

Craig A. Evans is the John Bisagno Distinguished Professor of Christian Origins in the School of Christian Thought of Houston Baptist University. The church needs community that is deep and real. In Living Together in Unity with Dietrich Bonhoeffer, Nicholas J. Abraham reclaims Bonhoeffer’s vision for Christian community.

By exploring Bonhoeffer’s life and writings, Abraham identifies the foundations for community and how we can build upon them. Truly Christian fellowship is through Jesus and in Jesus. JOB

Barry G. Webb

Job reveals a God we can trust, even in our darkest moments.

Barry G. Webb explores the book of Job as a reflection on the paradox of righteous suffering. Job confronts the troubling issues that life throws at us as we try to live in trusting obedience to God. Wisdom shows us how to live in relation to God when we don’t have answers for all of life’s problems. With detailed exegesis and biblical-theological synthesis, Webb explores Job’s unique theology of creation, evil, wisdom, justice, redemption, and God’s character, tracing these themes across the canon.

AUTHOR
Barry G. Webb is senior research fellow emeritus in Old Testament at Moore Theological College in Newtown, Australia, and author of several commentaries, including The Book of Judges (New International Commentary on the Old Testament) and Five Petal Garments: Christian Reflections on the Song of Songs, Ruth, Lamentations, Ecclesiastes and Esther (New Studies in Biblical Theology).

MATTHEW

Charles L. Quarles

Charles L. Quarles demonstrates that the Gospel of Matthew is foremost a testimony about Jesus. Each pericope centers on Jesus and reveals something about who he is, what he has done, and what his disciples should do in response. Quarles teases out Matthew’s unique theological presentation of Jesus’s identity and work. Jesus is the new and greater Moses and the new and greater David who fulfills Old Testament hopes by establishing God’s covenant and kingdom. This Gospel invites us to know and worship Jesus, who makes all things new.

While the Apocrypha’s canonical status is disputed, it has been embraced by Christians over centuries for personal study, devotion, and worship. The diverse writings in the Apocrypha contain biblical and post-biblical history, historical fiction, wisdom, and liturgy. These books shed light on Second Temple (intertestamental) Judaism and the New Testament, and they continue to inspire readers today.

Beautifully typeset in a single-column format, The Lexham Old Testament Apocrypha provides a literal and contemporary translation for modern readers. David A. deSilva briefly introduces each book, providing context and insight. This volume includes works typically omitted from other editions of the Apocrypha, such as the Psalms of Solomon, the Greek text of Enoch, and multiple versions of Tobit and the additions to Daniel.

**TEXT AND PARATEXT**

**BOOK ORDER, TITLE, AND DIVISION AS KEYS TO BIBLICAL INTERPRETATION**

Gregory Goswell

Context is king, so the maxim goes. Sensitivity to context—of a verse, chapter, or book—is essential for proper biblical interpretation. Yet the Bible contains another set of key clues that readers rarely consider. In Text and Paratext, Gregory Goswell explores paratext and its implications for biblical interpretation. Paratextual features are the parts of a text that surround the main text itself, such as a book’s canonical location, title, and internal divisions. These features have been intentionally added to support the text and direct readers. Different arrangements of the Old and New Testaments reveal connections and associations. A book’s title announces the focus of its content. Book divisions create breaks and form units of text. Commentary is baked into paratextual features, making every Bible a study Bible. Rather than veiling the text’s meaning, paratext highlights interpretive possibilities both ancient and fresh. While often overlooked, paratextual features guided interpretation throughout church history and should inform our study of Scripture today. With the help of glossaries and study questions, Goswell’s study equips readers to understand paratext and its implications and become better interpreters of the Bible.

**AUTHOR**

Gregory Goswell is academic dean and lecturer in Old Testament at Christ College in Sydney, Australia. He is coauthor (with Andrew Abernethy) of God’s Messiah in the Old Testament: Expectations of a King Across the Old Testament and author of numerous academic articles on text and paratext.

PAUL'S THORN IN THE FLESH
NEW CLUES FOR AN OLD PROBLEM
Kenneth Berding

Paul's enigmatic “thorn in the flesh” in 2 Corinthians has baffled interpreters for centuries. Many offer suggestions as to the identity of Satan’s messenger; others despair that the puzzle is unsolvable. In Paul’s Thorn in the Flesh: New Clues for an Old Problem, Kenneth Berding reopens the case. He follows a trail of clues that includes ancient beliefs about curses, hints in Paul’s letters, similarities with Jesus’s suffering, and the attempts of the earliest Christian interpreters. Berding offers twenty criteria—some familiar, others neglected—that any proposals must explain. While the usual suspects fall short, Berding suggests a new solution—one that satisfies all the evidence and gives us a fuller view of Paul. Far from an abstract puzzle, Paul’s own suffering is relevant to Christians today, including Berding’s own health struggles.

A RANSOM FOR MANY
MARK 10:45 AS A KEY TO THE GOSPEL
John J. R. Lee & Daniel Brueske

“Not to be served, but to serve”
Unlike the Gospels of Luke and John, Mark’s Gospel never explicitly reveals any authorial intent. In A Ransom for Many, John J. R. Lee and Daniel Brueske identify Mark 10:45 as the heart of Mark’s Gospel. This single verse is the pivot point of Mark’s structure, themes, and message. Mark 10:45 is the key that unlocks the Gospel’s unique focus on true discipleship.

AHAB’S HOUSE OF HORRORS
A HISTORIOGRAPHIC STUDY OF THE MILITARY CAMPAIGNS OF THE HOUSE OF OMRI
Kyle R. Greenwood & David B. Schreiner

The extrabiblical testimony surrounding Israel’s early history is difficult to assess and synthesize. But numerous sources emerging from the ninth century BC onward invite direct comparison with the biblical account. Particularly, important sources speak to the characters and events surrounding the Omride dynasty—particularly Omri’s son Ahab, known for being the most wicked king in the history of Israel.

In Ahab’s House of Horrors: A Historiographic Study of the Military Campaigns of the House of Omri, Kyle R. Greenwood and David B. Schreiner examine the historical records of Israel and its neighbors with attention to how they discuss the Omride dynasty and military action. While Scripture generally gives a bleak depiction of the Omride dynasty, extrabiblical evidence appears to tell another story. Inscriptions and archeological evidence portray a period of Israelite geopolitical influence and cultural sophistication. Rather than simply rejecting one source over another, Greenwood and Schreiner press beyond polarisation. They propose a nuanced synthesis of testimonies by embracing the complex dynamics of ancient history writing and the historical difficulties that surround the Omrid dynasty.

“Every student of this period and every serious teacher of the relevant biblical texts will want to consult this valuable asset.”—Richard S. Hess, Distinguished Professor of Old Testament, Denver Seminary

NATURE’S CASE FOR GOD
A BRIEF BIBLICAL ARGUMENT
John M. Frame

Millions of people in the West identify as atheists. Christians often respond to this reality with proofs of God’s existence, as though rational arguments for atheism were the root cause of unbelief. In Bulwarks of Unbelief, Joseph Thomas Minich argues that a felt absence of God, as experienced by the modern individual, offers a better explanation for the rise in atheism. Recent technological and cultural shifts in the modern West have produced a perceived challenge to God’s existence. As modern technoculture reshapes our awareness of reality and belief in the invisible, it in turn amplifies God’s apparent silence. In this new context, atheism is a natural result. And absent of meaning from without, we have turned within.

AUTHOR
Joseph Thomas Minich is a teaching fellow with The Davenant Institute. He is the founding editor of Ad Fontes and editor of several volumes with The Davenant Press.

A BOND BETWEEN SOULS
FRIENDSHIP IN THE LETTERS OF AUGUSTINE
Coleman M. Ford

The letters of Augustine offer a window into his life. They showcase a theologian on the run, working through difficult pastoral issues. They also show another side of Augustine: the theologian as friend.

In A Bond between Souls: Friendship in the Letters of Augustine, Coleman M. Ford examines Augustine’s understanding of friendship. For Augustine, friendship is the overflow of love and is essential for building Christlike virtue. Friendship differs by context and relationship but is fundamentally rooted in the reality that, in Christ, friendship with God has been restored. In this sense, friendship is fundamentally a spiritual exercise.

With original research rooting Augustine’s letter-writing, theology, and understanding of friendship in antiquity, A Bond between Souls helps readers to understand this doctor of the church in a deeper way.

“This book opens up the private world of a very public man and deepens our understanding of one of the greatest theologians of all time.”

God’s Word creates what he commands—
Reencounter the radical doctrine
of justification by faith alone.

“Luther has often been made into a hero of modern
subjectivity, as if it’s all about having faith. Jack
Kilcrease corrects the record: it’s all about the
gracious Word of God, which gives us faith in the
heart and every other good gift in Christ.”

“Justification by the Word
RESTORING SOLA FIDE
Jack D. Kilcrease
In Justification by the Word, Jack D. Kilcrease
reintroduces Martin Luther’s key doctrine.
Though a linchpin of the Reformation, Luther’s
view of justification is often misunderstood.
For Luther, justification is an expression of
God’s creative Word. To understand Luther
on justification, one must grasp his doctrine
of the Word. The same God who declared “let
there be light”—and it was so—also declares
“your sins are forgiven.” Justification is an
objective reality. It is achieved in Christ’s
resurrection and received through an
encounter with the risen Christ in Word and
sacrament. Justification turns us outward, away
from our own unsteady feelings and limited
understanding, to look to Christ. And the
church must preach justification, lest we so
easily forfeit the joy of the gospel.

PASTOR, JESUS IS ENOUGH
COMFORT, HOPE, AND PEACE FOR THE WEARY, THE BURNT OUT, AND THE BROKEN
Jeremy Writebol

In Pastor, Jesus is Enough, Jeremy Writebol invites pastors to hear the words of the risen Jesus in Revelation 2–3. These chapters are often seen as letters directed to churches. And they are. But they are also for the churches’ pastors.

In these seven letters, Jesus comes close to pastors—whether hurting or straying—and reminds them of his sufficiency. In these warnings and promises, Jesus has hard words for pastors. But they are words of life. Most of all, Jesus urges pastors to keep their focus on him.

ON EARTH AS IN HEAVEN
THEOPOLIS FUNDAMENTALS
Peter J. Leithart

The heavenly city of God resurrects the cities of men. On Earth as in Heaven calls the church to embrace her identity and mission as one shaped by biblical theology and liturgy. The world grows increasingly polarized and politicized, but the church’s commission remains unchanged. Christians carry out Jesus’s mission by being the church. To change the world, the church needs only to be what she is—the bride of Christ—and to do what she does—teach, preach, sing, pray, break bread. Cultural and political mission and individual witness and service all spring from the church’s liturgical life. As the church proclaims God’s word and practices vibrant liturgy, she is God’s heavenly city, shining as a light to the world.

PASTORAL VISITATION
FOR THE CARE OF SOULS
Tyler C. Arnold

Many consider pastoral visitation antiquated and impractical. People seem busier than ever, and technology appears to trivialize personal contact. As a result, personal visits are often reserved only for the gravest of situations.

Tyler C. Arnold argues that pastoral visitation is essential to the pastoral role. In Scripture, God visit Jesus his people to show his personal interest and concern. This is seen most clearly in the incarnation. Christ’s ministry is one of presence. But Jesus is not only an example of visitation ministry; he is the embodiment of it. And in visitation, pastors and laypeople continue Jesus’s ministry by bringing Christ to the individual in their very place of need.

Established in strong theological foundations and sensitive to contemporary concerns, Pastoral Visitation exhorts pastors to return to this classic method of individual soul-care.

“This excellent pastoral handbook by Tyler Arnold is most timely in its winnows, practical approach to this fraught issue.”—John W. Kleining, lecturer emeritus, Australian Lutheran College, Adelaide; author Wonderfully Made: A Protestant Theology of the Body

SPIRITUAL WARFARE
FOR THE CARE OF SOULS
Harold Ristau

Jesus Christ is the light that no darkness can overcome. Spiritual warfare isn’t always obvious. It’s normally not scary or spooky; it’s usually rather mundane. Yet it’s real and always miraculous.

In Spiritual Warfare, Harold Ristau shows how faithful spiritual warfare isn’t about secret methods and rituals. Rather, for the care of souls, pastors already have all they need in God’s word. The Spirit’s gifts equip Christians for whatever challenges await them in ministry—even fighting against the wiles of the devil. Spiritual Warfare helps pastors inform, prepare, and equip the saints for the battle. The good fight is fought in prayer and worship. As the church preaches the forgiveness of sins, the darkness is pierced with the light of Christ and those in bondage are freed.

FAITH IN THE WILDERNESS

WORDS OF EXHORTATION FROM THE CHINESE CHURCH
Ed. Hannah Nation & Simon Liu

“If we want revival in our communities, then let us learn from those being revived.”

For many Western Christians, the experience of suffering and persecution is remote. For Chinese Christians, on the other hand, persecution is a regular aspect of the Christian life. If a Christian from the West was transported to a Chinese house church, the topic of suffering would be ever-present in preaching and conversation. With decades of persecution under government oppression and a rich theology of suffering, the Chinese house church movement has much to contribute theologically to the global church.

In Faith in the Wilderness, editors Hannah Nation and Simon Liu pull together the insights of the Chinese Church for the West. These sermonic letters from Chinese Christians will awaken readers to the reality of the gospel—the ground of our hope—in the midst of darkness. Readers will be convicted, encouraged, and edified by the testimony of these Chinese Christians.

“JESUS AND GENDER
LIVING AS SISTERS AND BROTHERS IN CHRIST
Elyse M. Fitzpatrick & Eric Schumacher

Many Christian women and men carry heavy burdens. Much teaching on gender relations, roles, and rules binds the conscience beyond what Scripture actually teaches. Gender has become a battleground for power. But God created men and women not to compete for glory but to cooperate for his glory.

In Jesus and Gender, Elyse Fitzpatrick and Eric Schumacher paint a new vision for gender—Christ’s gentle and lowly heart. The centrality of the gospel has been lost in gender debates. Our ultimate example is Jesus, our humble king, who used his power to serve others. So we must rethink our identities, roles, and relationships around him. Christ transformed enemies into family. Men and women are allies in God’s mission.

Drawing from Scripture and experience, Fitzpatrick and Schumacher show how Jesus’s example speaks to all areas of our lives as men and women, including vocation, marriage, parenting, friendships, and relating to each other as sisters and brothers in Christ. Real-life testimonies from a variety of Christians—including Christine Caine, Justin Holcomb, Karen Swallow Prior, and others—show a variety of men and women freed to pursue their gifts for God’s glory.

Fitzpatrick and Schumacher’s perspective untangles what God has said about gender from what he hasn’t. By coming to Jesus, women and men can find rest.
