

NE India Missions

July – August 2022 Report

Dear Pastor West, FSBC and supporting churches:

I again want to express my gratitude to all of you for your financial and prayer support for the mission field in northeast India. I am delighted that you care about the lost souls in the Thangkhal region of Manipur. Once again, I want to let you know that your financial support is precious to us and allows us to do so much for our people and also to construct church buildings in the various villages where we have planted new congregations.

In the past two months, I conducted an evangelistic crusade and seminar at T. Khajang Baptist Church on the 27th and 28th of August. We taught how and when the American Baptist Association started and its statement of faith in the workshop. The helping and leading of God and the work of the Holy Spirit are marvelous to behold.

Also, in the past two months, we have seen eight (8) precious souls come to know Christ Jesus as their Lord and Saviour. Church planting continues at different places, as well as pastor training. Pray for the young men that are being trained to serve as pastors.

Our state of Manipur has conflict between tribal groups. They have called for a ban and economic blockade. They are fighting each other and there is no road transport communication. Please pray for God's protection over our people.

My wife, Ching, has a gall bladder disease and is scheduled for surgery on September 7th. Please pray for my wife and family that all will go well. May God bless you all abundantly as you support missions around the world. Let's pray that more missionaries will answer the call.

- Missionary Gin & Ching Kipgen
