Dear Church Family,

Good morning! What a great day it is going to be as we take time to worship and praise the Lord! He is good all the time because that is Who He is. Are you rejoicing in Him today? My prayer as we worship the Lord is that He will meet with us and encourage each one of us. Thank you for being a part of our service, and if you are visiting, please let us know how we can serve you.

I love this time of year, don't you? What an awesome display of God's glory through His creation! Fall is simply an amazing season. We have been blessed to live in this nation with so many of the privileges and opportunities afforded to us. One of those very precious privileges is the opportunity to vote. I cannot stress enough how important voting is. As believers, we must do everything we can to help support and elect officials who most align with our biblical values. Please make sure you take time to vote and do so in an educated manner. One of the most essential issues is electing officials that support life. With the Supreme Court's decision to reverse Roe v. Wade, states now make the decision regarding abortion. As believers, we cannot sit idly by. We must participate in electing officials who represent at the very least our biblical values of life and respect for the law. Let's all be in prayer for this election as our nation is clearly going through some challenging times, and we need men and women who are willing to lead with values based upon the Word of God.

There is a lot going on! Tomorrow, weather permitting, we will have our Trunk or Treat. Thanks for all the candy given and those who are helping. If it rains and we need to postpone, we will have the Trunk or Treat on whatever night trick or treating takes place in the community. Please be in prayer as we share the gospel with kids and their families.

Check out your bulletin along with our church calendar. We have numerous events and classes for you to participate in. Thank you to everyone who is helping. I really appreciate and am thankful for your service. The Lord bless you. May His love and grace be experienced afresh today as we worship together.

In Christ's love,

Pastor Erik
