

Interim Pianist

Fairmont First Baptist Church is seeking an interim pianist as we are in a season of transition. Currently our worship style is mainly traditional, but we are seeking to move to a more intentional and blended style of worship. We currently use *The Baptist Hymnal* (1991) as our primary tool for congregational singing.

Responsibilities:

1. Play for congregational singing, choir and soloists (as needed) during the Sunday morning worship service.
2. Rehearse with the choir at weekly music practice.
3. Rehearse with the choir and play for special programs including revival.
4. Work with Pastor to schedule someone else to play piano when not available.
5. Would be interested in candidates that were available for Sunday evening worship as well.

Compensation:

\$500/Month (negotiable)

Application procedure:

Send resume, references (at least 3 including one personal/pastoral and one musical) to jobs@fairmontfirstbaptist.org. If you have it, include a recording of your playing. There also may be an audition as part of the hiring process.
