Dear Church Family,

Good morning! I trust you are doing well and ready to worship the Lord today! If you are visiting, we are so grateful you are here. Please let us know if there is any way we can serve you.

Are you as amazed as I am that Thanksgiving is this week? Wow, what a year this has been. I am excited to worship the Lord with you today and looking forward to our time in the Word together. I am grateful for Josh Baldwin and his worship team that have come to lead us in worship this morning. Take time to pray for them and let's all worship the Lord together.

The Lord has blessed us in so many ways, hasn't He? We all have much to be thankful for. Paul tells us to rejoice always! What a joy to know that no matter the situation, our Lord is working on our behalf to bring about His glory. We can thank Him and rest in the reality of His great grace and wisdom. This morning, take some time to thank the Lord for the many blessings He has provided for us.

Tonight, we will be having our annual "Pie & Praise." This is a great time of fellowship as we take time to share why we are thankful. And, of course, PIE! Enough said! Come on out and join us as we spend time in fellowship with the Lord and one another.

Don't forget that we will not have Wednesday night activities. I hope you have a wonderful week and a great time celebrating our national holiday of Thanksgiving. Wherever and with whomever you gather, take time to thank the Lord for His many blessings. From my family to yours, have a wonderful Thanksgiving.

In Christ's love,

Pastor Erik
