

# Buxton Ministry Update

November - December 2022 | Marc & Jessi Buxton | [marcbuxton.com](http://marcbuxton.com)

## Thank You!

After our scheduled furlough of a few months, we are back! While we loved seeing friends, family, and supporters in the USA, there's nothing quite like coming back to the Philippines - as you can see from this photo taken in the airport the morning we arrived in Manila.

We would like to thank all of our partners for a wonderful year this year. We are already praying and planning for what the Lord will do among us in 2023!

*Sanctify yourselves, for tomorrow the LORD will do wonders among you.*  
Joshua 3:5

## Training Pastors

**Arvin, Emman, Towii, Lloyd, Hezekiah, Rodelle, Alex**

Each of these young men are from our church in Marikina City and are currently serving or preparing to serve as pastors with Global Surge. Pray for them!

## Live Life Globally

**Robert, Karl, (Marc), Ron, Vivian, Danielle**

This is the team that makes Global Life University work!

Because of their efforts, we are able to train thousands of people for the ministry every year.

Pray for them!
