

Greetings from Australia!

Julie and I hope that you, your church and your family have all had a great Christmas celebration and we wish for you a wonderful New Year!

We have recently returned to Australia after a month in the states where we had the opportunity to be in several churches and two conferences. It was nice to be able to catch up with some of you. While we were in the States, we had the opportunity to celebrate our granddaughter Hope's third birthday. As you know, we were locked down for the last couple of years and we were unable to attend Hope's first two birthdays. It was fun being able to celebrate with Aaron, Erika and the birthday girl, Hope, for her birthday!

God had a wonderful blessing for us upon our return to Australia. On our first service back to Wauchope Baptist Church we had two that trusted Jesus as Lord and Savior. That was a blessing that will last forever! We also had the blessing to baptize two just before Christmas. God is good all the time!

As we close out 2022 and look forward to a New Year in 2023 we continue to be grateful for your continued prayer and financial support. Many of you have partnered with us for many years and we are thankful for your faithfulness.

Julie and I hope and pray that God will bless you and keep His hand on you in the New Year!

Looking up Down Under,

Tony Sullivan
