Bible Reading Plans for 2023

One of the best ways to grow spiritually throughout the year is by making the reading of God's Word a regular part of your daily rhythm. To aid in your Bible reading, several different reading plans are available at the Resource Table. We also highly recommend the "You Version" Bible app for smart phones and tablets, which has many different Bible reading plans available.

Your word is a lamp for my feet,
a light on my path
(Psalm 119:105 NIV).

Your loose change can help “change lives” as part of this quarterly offering, which supports the work of the Rwanda Sustainability Project. The gift of a small animal, which can be used as an on-going food and income source, can ease one of the financial burdens that people experience that can make a significant difference in them and their children living in poverty.
