**6:00pm** *Shepherds & Sheep: Faith-Based Leadership in the Church* (Rm. 209)

Dear Church Family,

Happy New Year! I know the first day of the New Year was this past Sunday, but the year is still young! I hope you are doing well and had a wonderful Christmas season. If you are visiting with us this morning, thank you for being here. I am grateful for everyone's attendance and looking forward to worshipping the Lord together with you today.

Just a reminder that everything has started back! Awana is going strong on Wednesday nights, and I want to thank all the Awana leaders as they work with the kids. Student ministry is also taking place along with various events planned. Adult Bible studies are also back in session on Wednesday nights, so get involved and participate in our time in the Word, prayer, and fellowship with one another. Remember, we start at 6:30pm. Our preschool has gone great this week! Let's continue to pray for each of the kids and families the Lord has entrusted to us. They are a true blessing!

A great big thank you to all of you who helped set up and take down the Christmas decorations. I know this is quite a task. Thanks for your service in doing this each year. I love the Christmas season and the church looks great. Also, we had numerous people helping with our services during the holiday season, so please take time to thank them. It's a lot of work putting things together. Thank you for all you do!

Sign-ups are now available for Upward basketball! This is going to be a great outreach to the community. If you are interested in helping, there are plenty of ways to participate. Please get the word out and be in prayer as we work toward developing teams. If you have questions, please see Monika. We will be having a leader meeting soon in preparation for the first season, so be aware of this.

Let's continue in prayer as we seek to follow the Lord this year. God is at work all around us, and my prayer is that we will experience Him afresh as we follow Him. A New Year has a lot of excitement and hope. My prayer is we will keep our eyes fixed on the Lord and experience what He can do. Thank you for your continued prayers and service to the Lord and His Church. May God bless you, and I pray you experience Him richly in all the details of your life.

In Christ's love,

Pastor Erik
