"The Golden Pilgrimage"

by Carmelle Beaugelin

Inspired by Matthew 2:1-12

Acrylic, gilding paint, canvas collage on handmade reclaimed paper

This past Sunday, we celebrated Epiphany with the story of the magi coming to Bethlehem to honor the Christ child in Matthew 2. The magi were mysterious, star gazers from the east. They were astrologers, those who viewed the movements in the night sky as revealing the divine plan. This is a very strange story for Matthew to include because the Bible doesn't speak kindly about astrology. It is usually associated with the false religions and gods of pagan nations, with which Israel was forbidden to practice. Matthew begins his story of the Jewish Messiah with one of the greatest literary ironies of all time, in which a group of Gentile astrologers who

likely don't know anything about Israel's story and scriptures, are the ones who seek to honor the Christ child. Meanwhile, Israel's king and biblical scholars seek to destroy him. Who saw that coming? Matthew is letting us know that sometimes it's the people we least expect who know more about God than the so-called experts and keepers of the tradition. Sometimes it's the people we've been told are abhorrent who know more about God than we do.

The magi are seekers, those who are open to discovering God outside of convention, tradition, or their own understanding. Matthew tells us this story, so that we might know that God doesn't belong to any one people or religion, to know that God works outside our categories and our theology. God reveals Godself in ways we do not expect, in our experiences, our dreams, and in unlikely people. Matthew invites us to become seekers, to be open to the surprises of God, to embrace a cultural and religious humility that says, I don't have God figured out, and I don't think anyone else does either. But maybe everyone knows something about God. If we are open, we can learn from people we least expect.

One Struggle to Love,
Rev. Joel A. Esala

Deep Gratitude for your pledges!
If you haven't pledged, please do so to help us meet the goal to...

RAISE THE HARVEST HOME LOAN RETIREMENT PLEDGE

Thank you, Covenant members! Thanks to many generous pledges, as of late December, we've cracked 90% of our goal of \$270,000 for the *Raise the Harvest Home, Loan Retirement Appeal*. Thank you for your financial support to retire this loan for repairs to our roof and HVAC system in only three years.

If you haven't pledged yet, please do so.

Consider this: If households donate an average of \$500 per year for three years, we'll be able to retire the loan quickly and minimize the interest payments. Prayerfully consider the impact of Covenant's ministries on your household and our community. Maintaining our church home helps us continue and grow our mission to be a..... *Welcoming, accepting community sharing the Glory of God's love with all!*

In Gratitude,

Rev. Joel A Esala, Charlie Bergmann, John Griffin, Cathy Levy, Dana Rudmose, and Betsy Sebastian

Men's Fellowship in January 2023!

On Saturday, Jan. 21, the Covenant men's fellowship group will convene at First Watch at Kingsdale for breakfast at 8 a.m.

ANNUAL PRESBYTERY LEADERSHIP TRAINING DAY (P.I.E.)

Our annual presbytery leadership training day called P.I.E. (**Partners in Education**) will be held at Covenant this year on Saturday, January 21. We are in need of volunteers who are **not** current elders or deacons, as those folks will be participants in the training sessions. If you can give an hour or a little more, tasks include: set up on Friday night, Saturday greeters, hallway guides, pie cutters, lunch or coffee servers, and clean up, please [sign up here](#). There will be a paper sign up sheet available on Sunday, before and after church.

DONATE METAL WATER BOTTLES for those who visit the OPEN SHELTER

Let us extend onward into the new year our stainless steel water bottle collection! One of the opportunities to give this Christmas Season included providing *stainless steel water bottles including loops* so people who visit the Open Shelter can attach them with a carabiner clip to their backpacks or belt loops. They can use more, so let's keep taking them to the Open Shelter! Reach out to **Cathy**

Levy with your questions; she answers a few of them, below:

Question: Why stainless steel?

Answer: We've learned that stainless steel bottles are healthier to drink from; also, they are easier to clean.

Question: What do you mean by "loops"?

Answer: See the picture; each bottle's lid includes a sturdy loop for hooking your fingers through or hooking a carabiner hook through.

Question: What is a carabiner hook?

Answer: These are popular with rock climbers and hikers; these are metal loops with spring-loaded gates used to quickly and reversibly connect components. In this case, with the loop on a water bottle, a carabiner hook helps you attach the bottle to your belt loop or backpack strap (see the picture).

Question: Must we donate a carabiner hook too?

Answer: No, we'll buy boxes full of those and add them to each water bottle to make it convenient for all. If you do decide to donate hooks, make sure they are sturdy with a strong spring.

Question: Where do I put my donation of bottles?

Answer: Put them in the marked bin in Covenant's Donation Center, which is in the coat closet closest to the main entrance to the sanctuary.

Question: When will you take them to the Open Shelter?

Answer: For decades, we take 175 sacked lunches to the Open Shelter on the second Friday of the month. Included in these deliveries, we bring drinks, including bottled water. We're wondering if high quality stainless steel water bottles will reduce the demand for bottled water, thus improving the impact on the environment. **So, we are continuing our request for more donations of these bottles. We will take them with our monthly delivery of the lunches.**

The Open Shelter is an Advocacy Center & Day Services Shelter for homeless and marginally-housed people in Central Ohio.

The genre is fiction; following is a New York Times link describing the true story upon which it is based: <https://www.nytimes.com/2020/02/24/books/review/colum-mccann-apeirogon.html>.

Amazon description: "Bassam Aramin is Palestinian. Rami Elhanan is Israeli. They inhabit a world of intractable conflict that colors every aspect of their daily lives, from the roads they are allowed to drive on, to the schools their daughters, Abir and Smadar, each attend, to the checkpoints, both physical and emotional, they must negotiate. Their worlds shift irreparably after ten-year-old old Abir is killed by a rubber bullet and thirteen-year-old Smadar becomes the victim of suicide bombers. When Bassam and Rami learn of each other's stories, they recognize the loss that connects them, and they attempt to use their grief as a weapon for peace."

Opportunity to Serve by Providing Lunch through the OPEN SHELTER

Do you want to do hands-on mission once a month or occasionally? We would love to welcome new people to the Open Shelter Lunch Making Team!

*Join us! You could help by shopping, pre-assembling, preparing on Friday morning, and/or delivering on Friday morning (see below for details). Our next delivery date is **Friday, January 13th** or you can help in any future month. **We particularly need help with SHOPPING at this point in the year, as some of our top shoppers take winter vacations. Let us know if you can help; it's fun, and shopping can fit into your schedule that week.***

Covenant helps out people in need (including people who are homeless and marginally-housed) served by the

Open Shelter by providing 175 sack lunches on the **second Friday of every month**. We revised the menu and process, and we need more volunteers to help out! Here are ways to join in:

- Anytime, donate **sturdy, stainless-steel water bottles with a loop** that participants can use to carry water easily. Drop your donations off in the marked bin within Covenant's Donation Center, which is in the coat closet nearest the sanctuary. We're hoping to provide more safe, cleanable water bottles to reduce the impact on the environment of disposable water bottles and to support a sustainable future.
- Anytime, you could **drop off your clean, lidded take-out containers** (reusable disposable food containers) to shelving on the counter under the windows of Covenant's kitchen. We take them to the Open Shelter to help people take home leftovers from donated restaurant meals. When these meals are donated, people are encouraged to take sack lunches with them to-go as well.
- You could help with supplies for the sack lunches; we would let you know the quantity, and you'd deliver them to Covenant's kitchen by the Thursday before the delivery day (church closes at 4pm) or by the second Friday of the month at 8:15, when we assemble the sack lunches. The costs for these supplies may be reimbursed by submitting your receipts to our Financial Administrator, Tanvi Bhowmik. Ways to help include:
 - You could **shop** for supplies (like paper bags and napkins from GFS, drinks, plastic bags, sandwich makings, bananas...)
 - You could make **45 or 90 bags of unsalted nuts** at your home.
 - You could make **45 or 90 bags of baby carrots** at your home.
 - You could make **30 Peanut Butter and Jelly sandwiches** at your home.
 - You could **help make 160 ham and cheese sandwiches with the team at Covenant's kitchen, and then assemble** the lunches into paper bags and pack them in boxes and into a car (or two) between 8:00 and 9:10 am on the second Friday of the month.
- You could **transport** the lunches and other supplies from Covenant to the Open Shelter on Parsons Ave. by 9:30 on the second Friday of the month. This takes either two drivers or one driver with a larger hatchback car or minivan.

By splitting up the work, we can get more people involved sharing the Love of Christ in our community. Join us!

Questions? We would love to answer them! Would you like to join us in one or more of these ways? Fantastic! Please contact us to discuss this and/or sign up at covenant@covenantpcusa.org.

In Christ,
Betsy Sebastian, Mona Connolly, and Carrie Mellen

HM3 UPDATE – HOGE'S, MUSIC, MESSAGE, MEAL

*The next meal will be served by volunteers of the SOS Food Pantry
 on Saturday, January 21st.
 To help as a chef or as a server from 4-7pm, please contact Mark Owen.*

Hoge Presbyterian Church offers the HM3 program every Saturday for its community in Franklinton including Music, Message, and a Meal. Area churches assist with the Meal, and Covenant creates and serves a hot, home-made meal every 3rd Saturday. The wearing of masks is optional for both servers and guests.

Current attendance at HM3 leads us to bring enough for 50 meals.

- **We're opening up the Signups for 2023! Please sign up as an individual or as a group. We need help starting February 18th and every 3rd Saturday thereafter.**
- In the past, Covenant members cooked in their own homes and then brought the food to Hoge to serve from the Hoge Kitchen. Alternatively, you can prepare the food as a group in the Covenant kitchen and carry it to Hoge. For example, in April and June, teams prepared most of the meal in the Covenant Kitchen as a team activity and then brought the food to Hoge.
- Groups have signed up to serve in the months throughout the year of 2022 and for January 21, 2023... **THANK YOU! Group leaders:** If your group is lacking servers or chefs, let Cathy know; she has contacts for volunteers who can join your team. **Chefs:** Your expenses incurred in cooking may be reimbursed through our Financial Administrator, Tanvi Bhowmik.
- **If you or your kids would like to help out as a chef and/or server (from 4-7pm) during one of those 3rd**

Saturdays where a group already is signed up, **go ahead and contact that groups' leader**, we'll bet they would LOVE to include you on the team! You can find the leader's name on the website, or you can ask Cathy Levy, and she'll connect you up.

Signup or Learn more through this tool: <https://bitly.com/CovenantHM3SignUp> or by contacting Cathy Levy (send an email to covenant@covenantpcusa.org and in the subject line type HM3/Levy). By splitting up the work, it's easy, and many of us can help our neighbors with life-giving food offered with open hearts.
