About us

North Shore Presbyterian Church was started in 2011 to help reach people on the north side of Townsville with the good news of Jesus (i.e. the gospel). We want to see people grow in their understanding of, and obedience to, this good news.

We value meeting together around God's word (the Bible) at church on Sundays and during the week. We also love inviting people to join us as we follow Jesus together.

We aim to be a church where people are spiritually fed from the Bible, are cared for, and helped to serve others. We try to focus on the community around us, we value relationships, and try to keep things fairly simple. We don't always get these things right, but this is what we aim for.

During the week

Home groups (aka Bible study groups) // Meet at various times and in various locations // See Ian (one of our elders)

Children & youth

Sprouts // For Prep – Year 6 children // On Sundays at church during school terms // During the sermon // Follow the leaders out after the children's spot // See Kristie

Youth // We partner with other Presbyterian churches in our city for Townsville Pressie Youth // Friday nights during school term // See Andrew

Crèche // The crèche room is located just outside the main doors and is available during church for parents who wish to supervise their children there // It has a one-way window and an audio speaker so parents can see and hear what's happening in church
