WHY USE STRENGTHSFINDER?

A Christian Psychologist, Dr. Don Clifton, developed the StrengthsFinder assessment to identify and describe your unique, innate giftedness. Scripture tells us that we are created in the image of God and that He declares us very good! Gallup has spent over 40 years developing and testing StrengthsFinder with over 3 million people. Join us in discovering your Strengths. You will take the assessment ahead of our time together. Then, we will unpack 'what you do best', give voice to those gifts and share them with your NPC sisters.
