LESSONS FROM FIRST SAMUEL

1 Samuel 23:1-5 "When David was told, "Look, the Philistines are fighting against Keilah and are looting the threshing floors," he inquired of the Lord, saying, "Shall I go and attack these Philistines?" The Lord answered him, "Go, attack the Philistines and save Keilah." But David's men said to him, "Here in Judah we are afraid. How much more, then, if we go to Keilah against the Philistine forces!" Once again David inquired of the Lord, and the Lord answered him, "Go down to Keilah, for I am going to give the Philistines into your hand." So, David and his men went to Keilah, fought the Philistines and carried off their livestock. He inflicted heavy losses on the Philistines and saved the people of Keilah."

LESSONS TO LEARN:

- **Believe, even if it's scary.**
 - Most of the time that King Saul was chasing David and his men, it was in the territory of Judah. And that was scary! Now... David is asking his men to go into the territory of the Philistines! They were much fiercer warriors than Saul's soldiers! But David believed what God said. We also need to believe what God says, even if it's scary.
 - When God says to forgive, we need to believe God knows what He's talking about.
 - When God says to love your enemy, we need to believe God knows what He's talking about, even if it's scary.
 - When God says to practice hospitality, we need to believe God knows what He's talking about, even if it's scary.
- James 1:22 says, "Do not merely listen to the word... **Do what it says.**"
