# **GRACE FROM HEAVEN**

PRAYERS OF THE REFORMATION

Ed. Robert Elmer

The Reformation was an extraordinary time of profound spiritual fervor. *Grace from Heaven* collects prayers from influential Protestant voices of the Reformation that express deep longings, theological richness, and a burning desire for God's grace. The prayers are arranged by topic and time—from praise to petition, morning to evening—so that your prayer life can be interwoven with the rich tapestry of prayers of faithful Christians from the past. By praying along with Martin Luther, John Calvin, Marguerite de Navarre, William Tyndale, and many others, we join the chorus of Reformation believers in prayer and contemplation.

"When I read Grace from Heaven, I felt as though I had stumbled upon pearls of great price. A precious collection for the soul's enrichment." —Joni Eareckson Tada, Joni and Friends International Disability Center

"You will be encouraged and edified as you encounter these believers—speaking their words and echoing their hearts." —Trevin Wax, author of The Thrill of Orthodoxy

### **EDITOR**

Robert Elmer is editor of *Piercing Heaven: Prayers of the Puritans* and author of over fifty books of Christian fiction, devotion, and apologetics. He and his family live in Lynden, Washington.

SPIRIT

SALVATION

THE BIBLICAL DOCTRINE
OF THE HOLY SPIRIT
AND SALVATION

J. V. Fesko

God's Spirit unites believers to Christ, conforms them to his image, and equips them for witness and ministry. In *The Giver of Life*, J. V. Fesko reflects on the person and work of the Holy Spirit in the application of Christ's work for the salvation of sinners. Through a combination of biblical, historical, and theological study, Fesko illuminates the blessing of God's presence with his people.

Written from a confessionally Reformed perspective in dialogue with the great creeds of the church, *The Giver of Life* provides a thorough and trustworthy guide to the Holy Spirit's role in salvation.

"J. V. Fesko has captured this historic doctrine beautifully, expressing the 'faith once delivered to the saints' in clear, contemporary terms. Christ's church is enriched by this study." —James M. Renihan, president and professor of historical theology, International Reformed Baptist Seminary, Texas

### **AUTHOR**

### **UNDERSTAND. PROCLAIM. ACT.**

We Believe is a series of eight major studies of the Christian faith's primary doctrines as confessed in the Nicene Creed and guided by the Reformed tradition. In each volume, trusted authors engage a major creedal doctrine in light of its biblical-theological foundations and historical development, fleshing out its spiritual, ethical, and missional implications for the church today.

"Integrating biblical and systematic theology with a missional and pastoral passion, this series promises not only to inform but to transform readers through the riches of God's word. I highly recommend it."

—Michael Horton, J. Gresham Machen Professor of Systematic Theology and Apologetics, Westminster Seminary California

"Guided by able editors and approaching key creedal statements from a robust and lively perspective, these volumes promise to be both distinctive and constructive. Unapologetically approaching the catholic confession from the Reformed tradition, each author aims to present a biblicaltheological overview that is also missional in orientation. The result promises to both remind us of proper foundations while also pointing toward contemporary relevance." —Kelly M. Kapic, professor of theological studies, Covenant College

### THE LORD JESUS CHRIST

THE BIBLICAL DOCTRINE OF THE PERSON AND WORK OF CHRIST

Brandon D. Crowe

Jesus is the divine Son of God who has taken on human nature in the incarnation. As prophet, priest, and king, he leads his people in a new exodus. In *The Lord Jesus Christ*, Brandon D. Crowe reflects on Christ's person and work. Crowe traces christological concerns throughout the Old and New Testaments and church history and then presents systematic and practical implications. Through a combination of biblical, historical, and theological study, Crowe provides a fresh and robust statement of who Christ is and what he has done.

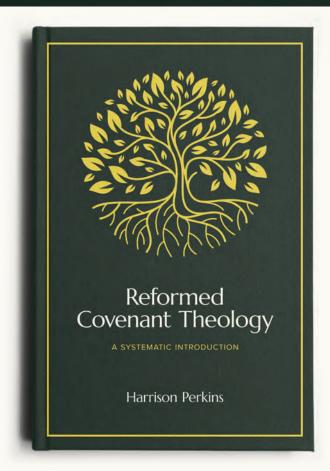

Written from a confessionally Reformed perspective in dialogue with the great creeds of the church, *The Lord Jesus Christ* provides a thorough and trustworthy guide for understanding Jesus and his salvific work.

"The Lord Jesus Christ is to be treasured—and so is this wonderful book about him."
—Sinclair Ferguson, Chancellor's Chair of Systematic Theology, Reformed
Theological Seminary

"Crowe's joy in 'the abiding grace of Jesus Christ' is manifest on every page."
—Matthew Levering, James N. Jr. and Mary D. Perry Chair of Theology,
Mundelein Seminary

#### **AUTHOR**

Brandon D. Crowe is professor of New Testament at Westminster Theological Seminary in Glenside, Pennsylvania, and author of *The Last Adam: A Theology of the Obedient Life of Jesus in the Gospels* and *The Hope of Israel: The Resurrection of Christ in the Acts of the Apostles*.

"I have been waiting for a book like this one, a book that does not merely regurgitate the storyline of Scripture but summons systematic theology to make covenantal connections across the canon."

—Matthew Barrett, Midwestern Baptist Theological Seminary

# REFORMED COVENANT THEOLOGY

### A SYSTEMATIC INTRODUCTION

Harrison Perkins

Covenant shapes our life with God. In *Reformed Covenant Theology: A Systematic Introduction*, Harrison Perkins shows how Christ and his work are the heart of that covenant relationship. Since God lives in covenant with his redeemed people, covenant theology provides a framework for Christians to grow in their life with God, to read the Bible, and to love the church.

"Perkins is an expert in his field and very much a pastor. ... You will not be disappointed."

—From the foreword by Ligon Duncan

"Perkins weaves biblical, historical, and systematic theology into a rich tapestry. And, as a pastor, he displays its relevance for our lives. With this book we have the best contemporary account of the Bible's own unifying structure." —Michael Horton, Westminster Seminary California

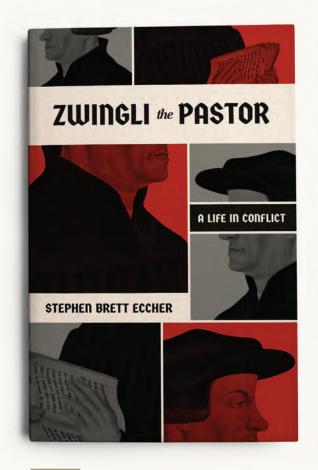

"This book is at once a thorough historical and biblical discussion of covenant theology with all its nooks and crannies, and one that is easy to understand. A model of pastoral scholarship written in service to the church."

—Brandon D. Crowe, Westminster Theological Seminary

#### **AUTHOR**

Harrison Perkins is pastor of Oakland Hills Community Church (OPC), online faculty in church history at Westminster Theological Seminary, and visiting lecturer in systematic theology at Edinburgh Theological Seminary.

"The recent revival of interest in Huldrych Zwingli is long overdue. This is a much-needed guide to a complex man, whose influence on the Reformation has yet to be fully appreciated."

—Gerald Bray, research professor of divinity, Beeson Divinity School, Samford University

# **ZWINGLI THE PASTOR**

### A LIFE IN CONFLICT

# Stephen Brett Eccher

In Zwingli the Pastor, Stephen Brett Eccher tells the story of Huldrych Zwingli (1484–1531), embattled pastor and reformer. Zwingli's ministry in Zurich was characterized by conflict—conflict that fueled him. It influenced his theological development, inspired his commitment to bring reform, and compelled his devotion to the congregation he led through the tumult of the Reformation. Eccher reveals a complex Zwingli, whose life and legacy continue to influence Protestantism today.

"In the best tradition of writing on the Reformation, Stephen Eccher weaves together theology and history, biography and context, and past and present in a book on Zwingli that is both profound and a joy to read. Moving easily between the sixteenth century and our time, this is the ideal book for those who think the Reformation is a distant, forgotten time as well as for those who know it is not. A compelling read."

—F. Bruce Gordon, Titus Street Professor of Ecclesiastical History, Yale Divinity School; author of *Zwingli: God's Armed Prophet* 

"Stephen Eccher has provided a helpful work of historical retrieval for ecclesial renewal with this book. Not only does it inform and clarify a complicated Reformation life for modern readers, it also instructs as to the value of remembering the complex. Such work requires the care of a pastor as well as a historian in order to bring a right understanding of Zwingli's place and contribution—and in that shepherding care Eccher has excelled."—Jason G. Duesing, provost and professor of historical theology, Midwestern Baptist Theological Seminary

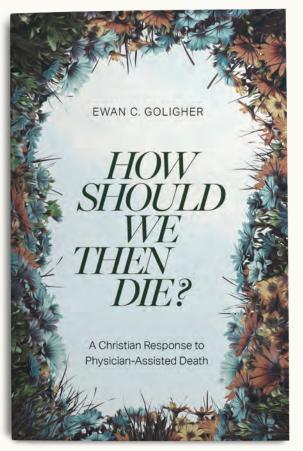

"Often pushed to the sidelines in studies of the mainline Reformers, Huldrych Zwingli is making a comeback. This book, well-written and carefully researched, makes an important contribution to that effort. Zwingli the pastor shines forth as the shepherd of the church in Zurich and the pioneer of the Reformed tradition. Highly recommended!"

—Timothy George, distinguished professor of divinity, Beeson Divinity School, Samford University

# HOW SHOULD WE THEN DIE?

A CHRISTIAN RESPONSE TO PHYSICIAN-ASSISTED DEATH

Ewan C. Goligher

As more people accept the practice of physicianassisted death, Christians must decide whether to embrace or oppose it. Is it ethical for physicians to assist patients in hastening their own death? Should Christians who are facing death accept the offer of an assisted death?

In *How Should We then Die?*, physician Ewan Goligher draws from general revelation and Scripture to persuade and equip Christians to oppose physician-assisted death. Proponents of euthanasia presume what it is like to be dead. But for Christians, death is not the end. Christ Jesus has destroyed death and brought life and immortality through the gospel.

"Possibly the most important ethical issue of our time, the practice of offering assisted dying makes an implicit claim about how we regard the value of human life. How Should We then Die? will help laity to understand the legal, medical, ethical, and theological matters at stake in the debate." —Kathryn Greene-McCreight, priest affiliate of Christ Church, New Haven; author of Darkness Is My Only Companion: A Christian Response to Mental Illness

#### **AUTHOR**

Ewan C. Goligher is assistant professor of medicine at the University of Toronto and has published over 100 papers and several book chapters. As a physician practicing critical-care medicine, he is regularly involved in helping patients and families navigate difficult decisions about medical care at the end of life.

### THE CRISIS OF CIVIL LAW

# WHAT THE BIBLE TEACHES ABOUT LAW AND WHAT IT MEANS TODAY

# Benjamin B. Saunders

How should Christians think about law? In every age, this is one of the most difficult questions faced by followers of Christ. Within the modern church, there is little unity on how Scripture addresses issues like gun control, abortion, and whether we should disobey unjust laws. In *The Crisis of Civil Law*, legal scholar Benjamin B. Saunders draws from Scripture and the Christian tradition to provide valuable guidance on contemporary legal questions and the role of civil government. We can gain greater clarity by wisely applying the moral law found in Scripture—as well as the universal standards of the natural law—to the changing circumstances of human societies.

The Crisis of Civil Law includes detailed discussion of the biblical material on law as well as practical case studies that contextualize scriptural principles in modern Western society.

"An accessible and authoritative guide to the enduring wisdom of Scripture and tradition on the 'weightier matters of the law' and on many legal aspects of public and private life. Law professor Ben Saunders combines real-world legal expertise with refined theological wisdom in delivering this refreshing and rewarding title. This book can be read in an evening but pondered for a long time."

—John Witte Jr., Robert W. Woodruff Professor of Law, McDonald Distinguished Professor of Religion, and faculty director, Center for the Study of Law and Religion, Emory University

"At a time of considerable controversy over Christians' relationship to civil law, Ben Saunders's new contribution is very welcome. He encourages Christians to avoid simplistic answers and charts a levelheaded course that's both theoretically informed and practically insightful." —David VanDrunen, Robert B. Strimple Professor of Systematic Theology and Christian Ethics, Westminster Seminary California

# FUNDAMENTALISTS IN THE PUBLIC SQUARE

EVOLUTION, ALCOHOL, AND CULTURE WARS AFTER THE SCOPES TRIAL

### Madison Trammel

The Scopes Trial of 1925 is often regarded as a turning point in the history of American fundamentalism and evangelicalism. It is claimed that Scopes was a public relations defeat that sent fundamentalism into retreat from mainstream culture.

In Fundamentalists in the Public Square: Evolution, Alcohol, and the Culture Wars after the Scopes Trial, Madison Trammel argues that such a characterization is misguided. Using documentary evidence from newspapers in the 1920s and 1930s, Trammel shows that fundamentalists remained fully active in seeking to transform the culture for Christ, and they remained so through the rise of Billy Graham's ministry.

Grounded in historical evidence, *Fundamentalists in the Public Square* offers a fresh take on the relationship between fundamentalism, evangelicalism, and the public square.

"A solid and deft study that contributes to the new interpretive paradigm concerning fundamentalists and the public square. Trammel makes a compelling case that during the post-Scopes Roaring Twenties and beyond, fundamentalists never left the building." —Barry Hankins, professor of history, Baylor University

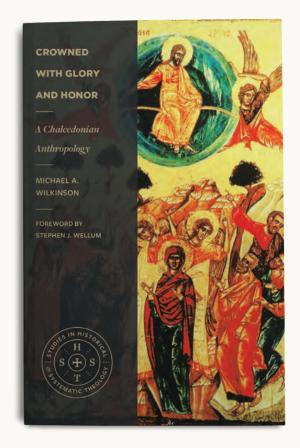

"Trammel improves the history of earlier fundamentalism by fleshing out complexities in a story with ongoing as well as historical significance."

—Mark A. Noll, research professor of history, Regent College

# CROWNED WITH GLORY AND HONOR

A CHALCEDONIAN ANTHROPOLOGY

### Michael A. Wilkinson

The field of theological anthropology is at a standstill, mired in debate between dualist and physicalist perspectives on body and soul. In *Crowned with Glory and Honor: A Chalcedonian Anthropology*, Michael A. Wilkinson argues that the man Jesus is the way forward. Anthropology should be centered around Jesus.

God the Son incarnate is true man, like us in all things except sin. Wilkinson approaches human ontology through Christology by looking to the Chalcedonian Definition and its Christology. Chalcedon confesses the man Jesus to be the divine person of the Son subsisting in a human nature. A Chalcedonian anthropology extends Jesus's person-nature constitution to define what it means to be human. A human being is a human person subsisting in a human nature. We are more than body and soul because Jesus is so much more.

"Wilkinson's investigation of a Chalcedonian anthropology gathers together resources from historical, biblical, and systematic theology that should have been brought together long ago. ... This study is at the same time deeply conservative and courageously innovative."

—Fred Sanders, professor, Torrey Honors College,

"This fresh work, building upon the christological consensus of Chalcedon, is a marvelous exploration of how the real humanity of Jesus Christ can provide direction in answering these pressing anthropological issues of our day. Highly recommended!"—Michael A. G. Haykin, professor of church history, The Southern Baptist Theological Seminary

# NAVIGATING TOUGH TEXTS, VOLUME 2

A GUIDE TO PROBLEM PASSAGES IN THE NEW TESTAMENT

# Murray J. Harris

While the core message of the New Testament is clear, we often encounter puzzling, alarming, or confusing sections when we get into the details. In this second volume of *Navigating Tough Texts*, Murray J. Harris concisely considers more than eighty tricky passages in the New Testament. He shows how these texts offer insights with implications for theology, apologetics, mission, and the Christian life.

Navigating Tough Texts, Volume 2 is a sure guide for pastors, students, and curious Christians who want to be better readers of the tough passages in the Bible.

"Murray Harris is a master guide, after a long lifetime of study, to some of Scripture's most puzzling problems. Even on the rare occasions when one disagrees with him, one ought to admit that he might be right!"

# CONQUERORS NOT CAPTIVES

REFRAMING ROMANS 7 FOR THE CHRISTIAN LIFE

Joseph R. Dodson with Mattie Mae Motl

Is the Christian battle against sin a long defeat? In *Conquerors Not Captives*, Joseph R. Dodson and Mattie Mae Motl challenge the popular view that Romans 7:14–25 describes the typical Christian battle against sin. The "wretched man" of Romans 7 seems unable to do what God's law demands and, for many Christians, his inner conflict and turmoil seem all too relatable. But are we impotent before sin and powerless to do good? When we reexamine Romans 7 in light of Paul's writings elsewhere and his interpreters throughout church history, we encounter better news.

Conquerors Not Captives is an accessible and thoughtful study that rebukes our gloomy expectations and invites us to take seriously the Bible's assurances that the Holy Spirit frees us from sin's power.

"Dodson and Motl's book covers the complicated ground of Romans 7 in a winsome and pastoral way, arguing that Christians are not captives but conquerors. This is the best short summary of Romans 7 that I have read. It includes the history of interpretation, the larger context, and careful exegesis of the passage itself. Those who disagree must reckon with the arguments in this book."

—Patrick Schreiner, associate professor of New Testament and biblical theology, Midwestern Baptist Theological Seminary; author of *The Visual Word, The Kingdom of God and the Glory of* the Cross, and *The Ascension of Christ* 

"On the hot topic of the 'I' of Romans 7, Dodson and Motl model expert exegesis: attentive to historical context, insightful reading of Romans as a whole, and inspiring in terms of understanding Pauline theology and biblical theology more widely. Concise, well-written—and convincing!" —Nijay K. Gupta, professor of New Testament, Northern Seminary

# **JOB**

### Duane A. Garrett

The book of Job is challenging. Its Hebrew is often obscure, its length and subject matter are intimidating, and its meaning has been debated throughout the history of biblical interpretation. In this commentary, Duane A. Garrett presents a fresh argument for the book's meaning. Job demonstrates the inability of Wisdom, as a theological tradition, to solve the problem of evil. Without rejecting Wisdom, it shows that only God can truly deal with evil. God's answer to evil is found only in Christ, who is anticipated in the book of Job.

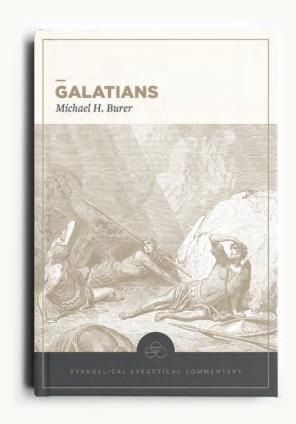

"With a meticulous eye for detail, Duane Garrett masterfully untangles the complex intricacies of the frequently read but perplexing book of Job. Garrett's exploration reaches profound depths, elucidating textual and theological insights that resonate in our modern era. This commentary stands as a monumental achievement, essential for those seeking a fresh perspective with the aim of further unraveling the tapestry of the book of Job."

### **GALATIANS**

### Michael H. Burer

The Letter to the Galatians opens a window to a serious crisis in Paul's ministry. In this letter, Paul defends the gospel and challenges the Galatian believers to remain faithful and to welcome all who have faith in Christ. Michael H. Burer presents a fresh exegetical investigation of the text, clarifying Paul's meaning and message for the benefit of pastors, teachers, and students.

"A judicious treatment of the epistle that allows the teaching and the theology of the letters to shine forth. This makes the commentary an exceedingly useful companion to have as one studies this key epistle of Paul." —Darrell L. Bock, senior research professor of New Testament studies, Dallas Theological Seminary; executive director for cultural engagement, Howard G. Hendricks Center for Christian Leadership and Cultural Engagement

"Burer's volume on Galatians is a wealth of exegetical wisdom: an abundance of text-critical, grammatical, and interpretive insights, valuable theological reflection, and helpful pastoral guidance. A real treasure!" —J. Scott Duvall, professor of New Testament, Ouachita Baptist University

"Doug Webster offers a theological window of practical understanding to the homiletical adage—the faithful preacher comforts the afflicted and afflicts the comfortable. This book is a treasure trove for those who are serious about marrying biblical theology and homiletics."

—Robert Smith Jr., professor of Christian preaching, Beeson Divinity School, Samford University

# MORE THAN A SERMON

THE PURPOSE AND PRACTICE OF CHRISTIAN PREACHING

# Douglas D. Webster

In *More than a Sermon*, Douglas D. Webster highlights the prophetic and pastoral challenge of preaching today. The task is both harder and easier than we imagine, as we are called to proclaim the biblical text in a way that convicts a hostile world while encouraging our congregations to rest in Christ's love. We need preaching that both swings the hammer that breaks hard hearts yet does not break the bruised reeds in our care.

Offering practical insights and examples, *More than a Sermon* is a valuable resource for both new pastors and veteran preachers who want to proclaim the whole counsel of God with power and wisdom.

"Too many books on preaching promote style over substance, success over faithfulness. Thankfully, More than a Sermon gives us a more excellent way. Dr. Webster grounds preaching in its God-given purpose by calling us to the 'why' behind the 'what,' and he instructs us in its practice by drawing from the deep well of his pastoral wisdom. Let this book teach, inspire, and challenge you as it did me!" —Jared E. Alcántara, professor of preaching, Paul W. Powell Endowed Chair in Preaching, George W. Truett Theological Seminary

### A BIT OF EARTH

### A YEAR IN THE GARDEN WITH GOD

Andrea G. Burke

In *A Bit of Earth*, Andrea G. Burke looks at the seasonal practice and common grace of gardening through a devotional lens. Part memoir, part prayer book, *A Bit of Earth* weaves care and intent through moments of ordinary living. This book is a lifelong resource of Scripture, poetry, and prose on the life of faith for contemplatives, gardeners, and believers.

God walks in the garden at the cool of the day. The Lord is with us when we dream about what plants to grow and when we drag our feet to pull weeds. He is with us when we preserve the fruit of our hard labors. He is with us even when we weep at the desolate, snowbound landscape of winter.

Whether you're new to gardening or already have a green thumb, anyone can learn how to garden and cultivate the soil of their hearts through *A Bit of Earth*.

"In this rich and poetic book, Andrea Burke welcomes us into her garden so that we can almost feel the dirt on our fingers, the waiting for growth, the battle against weeds and bugs, the joy of the harvest, and taste of its bounty. But far more than that, she plants in us as readers a desire for Christ to dwell richly in us, ridding us of what will choke out spiritual life and beauty, and growing in us abundant fruit of his Spirit." —Nancy Guthrie, bible teacher and author of numerous books, including Even Better than Eden: Nine Ways the Bible's Story Changes Everything about Your Story

"As she reflects on her own careful cultivation of her garden, Andrea Burke's tender and devotionally rich writing in A Bit of Earth will cultivate vital growth in your own heart. This is a beautiful book."
—Jared C. Wilson, assistant professor of pastoral ministry and author in residence at Midwestern Baptist Theological Seminary; staff pastor for preaching and director of the pastoral training center at Liberty Baptist Church, Kansas City, MO

# THE END OF THE WORLD AS YOU KNOW IT

WHAT THE BIBLE REALLY SAYS ABOUT THE END TIMES (AND WHY IT'S GOOD NEWS)

Matthew L. Halsted

Thinking about the end times isn't supposed to terrify you. Christians rightly turn to the Bible to make sense of our times. But so often we get the wrong answers because we ask the wrong questions.

In *The End of the World as You Know It*, Matthew L. Halsted challenges common end-times assumptions and points us back to Scripture. Each chapter reevaluates a popular question in light of the Bible's own concerns: *Will Christians be raptured? What is the mark of the beast?* When we let Scripture direct our questions, we get better—and more hopeful—answers.

"Anyone who has ever embraced or been influenced by the standard evangelical eschatology, or who knows people who have, needs to read this compelling and much-needed book!"

—Greg Boyd, senior pastor of Woodland Hills Church, St. Paul, MN

"This book is biblically grounded, carefully reasoned, and above all, an absolute joy to read—even if you're not a seasoned theologian."

# **JOB**

# Barry G. Webb

Barry G. Webb explores the book of Job as a reflection on the paradox of righteous suffering. Job confronts the troubling issues that life throws at us as we try to live in trusting obedience to God. Wisdom shows us how to live in relation to God when we don't have answers for all of life's problems. With detailed exegesis and biblicaltheological synthesis, Webb explores Job's unique theology of creation, evil, wisdom, justice, redemption, and God's character, tracing these themes across the canon.

"Webb's commentary is an engaging and stimulating contribution to the study of Job that will benefit the scholar, challenge the layperson, and assist the expositor in proclaiming the relevance of the age-old and sometimes enigmatic composition to a contemporary audience." — Dominick S. Geography is a central concern throughout Scripture, but the full significance of the geographical context is easily overlooked without a familiarity with the places, the relative distances, and the ancient setting. The Lexham Geographic Commentaries will not only place you in the sandals of the ancient writers of Scripture, but they will explain the significance of the geographic details in the biblical text for your life today.

# LEXHAM GEOGRAPHIC COMMENTARY

ON THE PENTATEUCH

From the four rivers of Eden to Israel's wilderness wanderings, the biblical narratives in the Pentateuch are filled with geographical details. God's story of redemption takes place in the real, but often unfamiliar, world of the ancient Near East.

Written by a team of experts on biblical geography and culture, the *Lexham Geographic Commentary on the Pentateuch* is a guide to the world of the patriarchs. Each article addresses a particular story, event, or subject in Genesis through Deuteronomy, with full-color maps and photos providing deeper layers of context. Historical and cultural insights give readers a richer understanding of the biblical story.

"Because the Bible, more than any other holy book, roots its revelation of the Creator in identifiable time and space, the geographic context of the biblical message is of the greatest importance. This means that this series, and particularly this volume on the Pentateuch, is extremely valuable to the student of the Bible, not only in its articles dealing with specific geographic data and locations, but also with the larger geographic issues." —John N. Oswalt, Visiting Distinguished Professor of Old Testament, Asbury Theological Seminary

"The Lexham Geographic Commentary on the Pentateuch is a robust addition to the library of anyone serious about the historicity of the biblical text. I am delighted that such a robust resource exists! This book will be a significant help to me in my own research and teaching."

# IN THIS WAY WE CAME TO ROME

WITH PAUL ON THE APPIAN WAY

Glen L. Thompson & Mark Wilson

Reconstructing Paul's journey to Rome, day by day.

In This Way We Came to Rome: With Paul on the Appian Way guides readers along Paul's 150-mile journey to face trial before the Roman emperor (Acts 28). Authors Glen L. Thompson and Mark Wilson draw from both ancient records and modern research to offer the most complete account available of Paul's journey along the ancient world's most famous road—the Appian Way. In addition to geographical and historical insights, the authors provide numerous images, maps, and GPS coordinates, allowing the reader to experience Paul's journey and better understand the ancient world in which he spread the gospel.

"The book will be invaluable for New Testament scholars and classical scholars alike, and not least for the average reader who intends to retrace Paul's steps on a visit to Italy."

—Eckhard J. Schnabel, Mary F. Rockefeller Distinguished Professor of New Testament, Gordon-Conwell Theological Seminary

# **PREPARING SERMONS FROM THE PAGE TO THE PULPIT**

**EXEGESIS TO EXPOSITION** IN SEVEN STEPS

# Wayne Baxter

A step-by-step guide to preparing effective expository sermons.

Pastors love studying God's word. But it can be difficult to take the things they've learned from exegesis and apply them to the soul of a congregation. In Preparing Sermons from the Page to the Pulpit: Exegesis to Exposition in Seven Steps, veteran pastor and seminary professor Wayne Baxter helps pastors move from study to sermon. In seven steps, preachers are guided to take their exegetical analysis of a Scripture passage and turn it into an effective expository sermon. Preachers and seminarians will be helped by Baxter's expertise as they grow in crafting compelling sermons.

"A clear and practical pathway toward more faithful biblical exposition. Baxter's book is not just worth the read but more importantly worth the wisdom it imparts."

-Matthew D. Kim, professor of practical theology and the Hubert H. and Gladys S. Raborn Chair of Pastoral Leadership at Truett Theological Seminary, Baylor University; author of Preaching to a Divided Nation and Preaching to People in Pain

"In Preparing Sermons from the Page to the Pulpit, Baxter gives clear steps and concrete examples of how to turn an exegetical outline into a homiletical one. This book will be a valuable resource in both the professor's classroom and pastor's study." —Eric Rivera, assistant professor of pastoral theology at Trinity Evangelical Divinity School; lead pastor at The Brook, Chicago

"The pathway from exegesis to exposition often seems unclear and unmarked. In Preparing Sermons from the Page to the Pulpit, Wayne Baxter provides a detailed map for the journey. Preachers who want to follow the trail of the text as they prepare to preach will find Baxter to be a most helpful guide."—Rick Reed, president of Heritage College and Seminary

FOR THE CARE OF SOULS

### Sean McGever

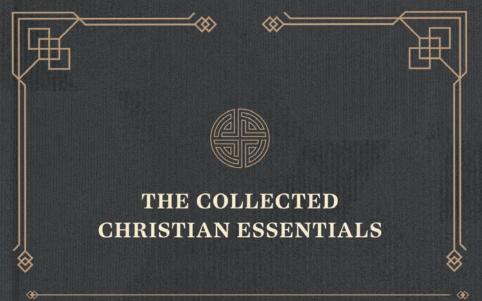

In Evangelism: For the Care of Souls, Sean McGever reminds ministers that announcing—and reannouncing—the good news of Jesus is central to pastoral care. The gospel rightly belongs at the start of a Christian's life, but its role does not end there. It is the balm and cure of our hearts for all of life. We must all be evangelized and re-evangelized. Evangelism presents a vision and strategy for ministers to evangelize in a way that is refreshing, biblical, and sustainable.

"With a shepherd's heart and an impressive knack for storytelling, McGever summons scores of names, places, and anecdotes that are sure to convict—and encourage—even the most inexperienced Christian." —Obbie Tyler Todd, pastor, Third Baptist Church, Marion, IL

The catechism—the Ten Commandments, the Apostles' Creed, and the Lord's Prayer—has sustained and nurtured every generation of believers, directing their faith, hope, and love. It helps Christians read, pray, and live God's word. By giving Christians God's word to give back to him, it plants seeds of his word and cultivates them to full growth.

The Collected Christian Essentials: Catechism brings the church's ancient catechism to a new generation.

- Let the catechism guide your devotional life.
- Experience a simple liturgy of morning and evening prayer.
- Pray fresh prayers inspired by the catechism.
- Read Scripture with the liturgical church year.
- Understand the riches of the catechism.

MENTAL ILLNESS, TRAUMA, AND THE DEATH OF CHRIST

# John Andrew Bryant

This is the story of Christ's nearness to my own suffering—my mental breakdown, my journey to the psych ward, my long, slow, painful recovery—and how Christ will use even our agony and despair to turn us into servants and guests of the mercy offered in his gospel.

We cannot answer suffering. And yet suffering demands an answer. If Jesus is the answer to suffering, what kind of answer is Jesus? Everything that could be taken from a person was taken from him. The worst things a person could be made to see and feel were seen and felt by Christ.

All of this came to a point in the nails driven into his hands and became a word that cannot be unspoken his body broken and his blood poured out for us. Suffering has been made holy by Christ's proximity to it.

"This is a stunning book, so rare and so beautiful. I cannot recommend it highly enough." —Matthew A. LaPine, director of Christian education at Citylight Church in Omaha, NE; author of The Logic of the Body

"This book is oxygen for those desperate for air. John's ability to share his own pain and trauma in a way that reveals the Savior who bears our trauma is a much-needed witness for Christians who suffer in silence."

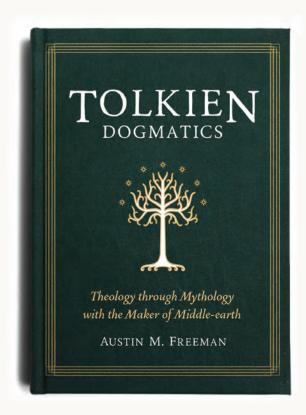

—Caleb Musselman, pastor of Soma Church, Beaver Falls, PA

"While the faithful will appreciate Bryant's efforts to explore a nuanced relationship between mental illness and faith, what stands out the most are his painfully visceral descriptions of mental suffering ... rendered with an unsparing honesty that jumps off the page."

# **TOLKIEN DOGMATICS**

THEOLOGY THROUGH MYTHOLOGY WITH THE MAKER OF MIDDLE-EARTH

### Austin M. Freeman

J. R. R. Tolkien was many things: English Catholic, father and husband, survivor of two world wars, Oxford professor, and author. But he was also a theologian. Tolkien's writings exhibit a coherent theology of God and his works, but Tolkien did not present his views with systematic arguments. Rather, he expressed theology through story.

In Tolkien Dogmatics, Austin M. Freeman inspects Tolkien's entire corpus—The Hobbit, The Lord of the Rings, and beyond—as a window into his theology. In his stories, lectures, and letters, Tolkien creatively and carefully engaged with his Christian faith. Tolkien Dogmatics is a comprehensive manual of Tolkien's theological thought arranged in traditional systematic

theology categories, with sections on God, revelation, creation, evil, Christ and salvation, the church, and last things. Through Tolkien's imagination, we reencounter our faith.

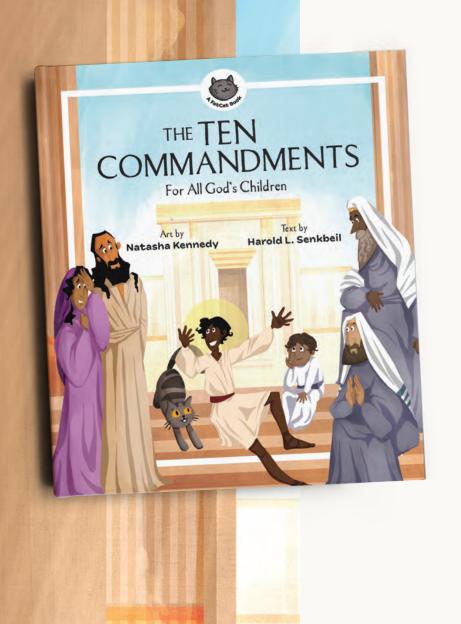

"This is a well-researched, one-of-a-kind work that will appeal especially to those who have gone out the front door to engage in the dangerous business of walking the Way of Christ, pursuing their own adventures as inhabitants of the twenty-first-century, demystified Middle-West." —Kevin J. Vanhoozer, research professor of systematic

# THE KING OF CHRISTMAS

ALL GOD'S CHILDREN SEARCH FOR JESUS

Natasha Kennedy & Todd R. Hains

"The star of the King of Christmas—where will we find him?" Inspired by the story of the magi and Mary's Magnificat and featuring a family prayer, *The King of Christmas* invites children and families to share the joy of searching for Jesus during Advent.

Join FatCat and the wise men as they follow the light of the Christmas star, journeying over sea and field, through market and temple, to find the King of Christmas. In each place they look, a new friend joins their search.

The journey doesn't end at the manger. Once the magi and their lively cast of friends and friendly beasts find Jesus at the nativity scene, they ask where else he can be found. On the cross? In the tomb?

And where do we find the King of Christmas today? In his word, where he promises to be found. Wherever his name and word are, you will find him too. Merry Christmas to all God's children!

"This vibrant book invites parents to bring their children along on the journey to find the true king of Christmas, the Messiah, the Christ." —Phillip Cary

# THE KING OF EASTER

JESUS SEARCHES FOR ALL GOD'S CHILDREN

Natasha Kennedy & Todd R. Hains

"The King of Easter! Whom will he find and save?" Following Jesus's journey from his birth to the cross, his resurrection, and beyond, and featuring a family prayer, *The King of Easter* reminds us of the meaning of Easter and Jesus's power to save.

Join FatCat and follow Jesus as he seeks and saves the lost. Whether friends or enemies—if they are lost, Jesus came to seek and save them. At every step, he brings his new friends to join the search.

As Jesus journeys to the cross, he finds and saves people—from his mother, Mary, at his birth, to the thief on the cross beside him. But the Easter story doesn't end at the cross, for Jesus is risen! From Mary Magdalene, who searched for him at the empty tomb, to Saul, who killed Jesus's friends, Jesus continues to save.

What about you? Has Jesus saved you? The King of Easter still seeks and saves the lost, and he is seeking you today. Happy Easter to all God's children!
