

CROSS GUARD DUTY - MAY 2024

As a cross guard, here are some things you can do to make visitors/members feel welcome at CPCC. Greet them as they cross, put a smile on your face and say good morning. If you don't recognise them, consider introducing yourself and thanking them for joining us. You might also direct them to the front doors and to the welcome desk. On a side note, you can also thank the drivers of the vehicles being stopped for stopping. Remember...a friendly face is a welcoming face! Let's make CPCC a place for everyone to feel at home!

If for some reason you can't be at church on your day, please call someone else on the list and trade.
